Enjoy the Summer at the Village Pool

The Village of Stamford Pool is NOW OPEN!!

Hours are located on the back of the newsletter or on our website in the local events tab. The Village is also looking for other activities to take place at the pool this summer. If you are interested in holding a Water Aerobics or Water Zumba Class or any other event (public or private), please don't hesitate to contact us.

which keeps our pool free and open to everyone from everywhere. Happy Summertime and Enjoy!

JULY 2016—JUNE 2017 WATER RATES

Water Rates for residents who live within the Village of Stamford

will see an increase in the water base rate as follows: \$42.50 for 5,500 gallons of water. \$7.27 per 1,000 gallons over the minimum rate of 5,500 gallons. This will begin on July 1, 2016. Likewise, for an-

yone who lives outside the Village of Stamford and receives village water, the rates will be as follows: \$63.75 for 5,500 gallons of water. \$11.59 per 1,000 gallons over the minimum rate of 5,500 gallons.

Sign up for Swimming Lessons

Each year we have made improvements to provide a fun, but safe environment for children and families. Swimming is an excellent form of healthy exercise for all. It allows you to develop a healthy cardiovascular system, a healthy way to develop lean muscle mass, and keep fat levels down while raising your metabolic rate. Swimming also has many psychological benefits and is a low impact work out. The beauty about swimming is that anyone can do it.

I feel that taking swimming lessons is an important life-

long skill. Safety is the most important part of learning to swim. Drowning is the nation's second leading cause of accidental death for children under 14. Once a child learns to swim they will become more confident around water. Lessons also teach discipline, are an opportunity to form friendships and provide physical activity.

Parents should sign their children up for lessons or themselves to reduce the chances of drowning, promote social interaction, and develop self-confidence and fitness. Our lessons at the Stamford

village pool start August 1st and will run approximately through August 26th. Each lesson is taught by an American Red Cross water safety instructor. To sign up for lessons, contact the village hall at 607-652-6671 Ext. *# or Josh Burroughs (Pool Director) at 607-435-3463. ~JB

Fire Pit Use (Zoning Law Section 2-201)

Fires, Recreational (Fire Pits, Pots, Bowls and Chimneys): A recreational or pit fire is defined as a residential fire which is totally confined within a non-combustible structure or container, and burns only seasoned split firewood, for the purpose of cooking or warmth. These

fires must be attended at all times by an adult, and must be completely extinguished before leaving the site. Recreational fires must be located more than ten (10) feet from any combustible structure, such as a house, a garage, motor vehicle, or tree. A bucket of sand, a shovel, and an

adequate supply of water must be near the burning fire at all times, for safety. It is also recommended that the fire pit be covered with a screen.

Thunderstorm Policy for Pool Use

The Stamford Village Pool is required to implement the following procedures during thunder and lightning storms per the New York State Department of Health and the Delaware County Health Department rules and regulations.

- All indoor as well as outdoor bathing facilities must be cleared and closed during a thunderstorm.

- All patrons are to leave the pool area immediately.

- All swimming activities are to remain suspended until thirty minutes after thunder and lightning were last observed. (30 minutes will reset for any thunder or lightning observed)

- Once thirty minutes has passed and no more thunder or lightning has been observed all swimming

activities shall resume.

Inclement weather: The Stamford Village Pool will also close immediately for heavy rain or hail storms that prevent the lifeguards from seeing the bottom of the pool.

*If the pool is closed after 3:00p.m. It may remain closed for the remainder of the day.

Attention: Village Business Owners

The Village of Stamford is working on creating a welcome packet for all new homeowners who are moving into the Village. We plan to include contact information for village officials, reference some laws and rules, provide a village area road map, a form to submit emergency contact information, and some other helpful infor-

mation about the Village. We were hoping to also advertise our local businesses by including a coupon or an informational blip about your business. If you wish to create and include a coupon or an ad in our welcome packet, please contact me or email the coupon/ad to clerkndm@stny.rr.com. We appreciate your par-

ticipation in this project. If you can think of any other valuable information to include in the welcome packet, please don't hesitate to contact me. Thank you for your time and consideration.

Tax Bill Corrections

Please understand that although the Village Tax Bills are addressed from the Village of Stamford, they are in fact processed from Delaware Real Property Tax Service. If your name or address is incorrect on your tax bills, it is be-

cause you have not processed a correction of your name and address on your deed with the Delaware Real Property Tax Office. All information on your tax bills come directly from your property deed. If you would like to submit

changes to your deed, please contact the Delaware Real Property Tax Services Office at (607) 832-5130. Thank you!

Property Sales

The Village of Stamford has recently come alive with many property sales and lots of renovations. In 2015, there were 36 property sales and 35 building permits given out. So far this year, we have had 14 property sales and 26 building

permits given out. It's

great to see so many new faces, and all the renovations and improvements to the Village of Stamford. We appreciate everything you all do to help make our Village a beautiful place to live.
