To All Village of Stamford Residents:

There are **2 very important changes** to bring to your attention regarding water/sewer services:

~A special project fee will be added to all sewer units in the amount of \$13.19 each quarter for the next fiscal year, which runs from June 1, 2023 to May 31, 2024. This amount will directly subsidize necessary expenditures at our sewer treatment facility.

~Beginning June 1, 2023 all water/sewer bills will be billed to **property owners/landlords only**, as per the new policy adopted by the Village of Stamford Board of Trustees. To view our complete revised water/sewer policy please visit our website at www.stamfordny.com under the Community tab.

Please call the Village Hall to verify the correct billing information.

If you have any questions, please feel free to contact the Village Hall offices.
