**Location:** 6664 Tartan Trail

**Request:** Zoning Change / CUP Approval

**Existing Zoning:** Tax Parcel 0911-304-4025-0      A-1 (Legacy)      5.6 Acres  
Total      5.6 Acres

**Existing Land Use:** The existing parcel currently contains a single-family house, pool, and a large shed. There are no steep slopes, wetlands, or floodplains associated within the parcel except for a large pond in the backyard.

**Adjacent Land Uses:** North: Tartan Trail, Residential

**Proposal**

**Zoning Change:** Tax Parcel 0911-304-4025-0      SFR      5.6 Acres  
Total      5.6 Acres

Applicant submitted information for a zoning change of Tax Parcel 0911-304-4025-0 from zoning A-1 Agriculture District (Legacy) to SFR Single Family Residential Zoning District. The applicant would like to add plumbing fixtures to an accessory structure, which requires a Conditional Use Permit, which triggers the rezone from Legacy zoning to the newer zoning designation.

**Submittals/Attachments**

1. Zoning Change Application, received May 25, 2022.
2. Jurisdictional Review Form, did not receive.
3. Conditional Use Permit Application, received May 25, 2022.

GEC reviewed the attachments and the information submitted by the applicant/agent and has the following comments outlined below:

**Comprehensive Plan**

The planned future land use for this parcel is Single Family Residential. I'll always defer to the Town on the history of a property meeting the density requirements and the Agricultural and Rural Lands Preservation Area policy in the Town's Comp Plan. There may be extraterritorial review authority by the City of Sun Prairie for this property.

**Town Ordinances**

1. **General**  
There is no planned building expansion. All work would be done within the existing footprint of the shed.
2. **Conditional Use Permit**  
The proposed plumbing fixtures in the existing shed would need a Conditional Use Permit (CUP) per the Town's zoning ordinance in the SFR zoning district. The CUP triggers the requirement for the rezone as stated in the Town's zoning ordinance.
3. **Well & Septic**  
Prior to issuance of a land use permit for the proposed plumbing fixtures in the existing shed, the applicant will need approval of a septic system from Dane County Public Health.

**Recommendation**

GEC recommends that the Plan Commission conditionally approve the proposed zoning change of Tax Parcel 0911-304-4025-0 from zoning A-1 Agriculture District (Legacy) to SFR Single Family Residential Zoning District, contingent on the following:

1. Town Board discuss any concerns with above comments.
2. Any comments or conditions from the Town's Attorney shall be addressed.
3. After a public hearing is held, the Town Board approve a Conditional Use Permit for the "Plumbing Fixtures in Accessory Buildings" with the conditions set forth by the Town's zoning ordinance and any other conditions that may arise.
4. Applicant obtains a land use permit and building permit for the plumbing in an accessory building.
