

Dear Town of Albion Residents,

Badgerland Disposal, an LRS Company, is proud to announce new curbside collection service for residents in the Town of Albion beginning January 2023. Badgerland Disposal/LRS will provide weekly refuse and every other week recycling collection for all residents.

Badgerland Disposal / LRS will deliver one new trash cart and one new recycle cart before your service starts in January. **Please continue to use your current trash and recycle carts through the end of the year and leave carts at the curb on your last service day for removal.** On your service day, containers should be placed 3 feet apart & 3 feet from any obstruction. Walking between containers is a good rule of thumb, or place one container on the left side of the driveway and the other container on the right on days when both trash and recycle are scheduled.

COLLECTION PROGRAM GUIDELINES:

- Trash and recycling must be curbside by 6:00 a.m. on your designated collection day,
- All waste / recycling materials must be **INSIDE** of the carts, waste or bags outside of the carts will not be taken, and
- On holiday weeks we operate on a one-day delay, when the holiday FALLS ON A WEEKDAY.

SERVICE CALENDAR:

Enclosed please find your service calendar which outlines your collection schedule. Trash will be picked up weekly and recycle will be picked up every other week.

WASTE (trash, garbage, refuse):

Your trash cart will be serviced **every week** based on the enclosed calendar. Solid waste is what most of us think of as “trash”, “refuse” or “garbage” that is produced at home, work or leisure. This category does NOT include any of the recyclable items listed below, any household hazardous waste, liquid latex paint, yard waste, appliances or electronics.

****IMPORTANT NOTE:** These items are not allowed and will not be handled by Badgerland/LRS for curbside pickup:

> **NO HAZARDOUS GOODS:** no flammable materials such as oil, gas or paint, batteries, household hazardous waste, banned electronic waste, engine parts or tires.

> **NO YARD WASTE:** no grass clippings, leaves, branches, soil, dirt, sod, hot ashes, etc.

> **NO CONSTRUCTION DEBRIS:** no concrete, rock, demolition debris, large construction waste items.

BULK ITEM SERVICE:

> Bulk “pay-per-item” option is available year round. Please email bltownservice@lrsrecycles.com or call (608) 580-0580 to arrange services. Item(s) must be <60 lbs and manageable by one person (or broken down into manageable piece), no yard waste, no tires, no hazardous material, no waste oils, and no liquids.

> Bulk drop-off site will be available to residents the first Saturday of each month from May through November at the Albion Collection Center, 69 Goede Road from 9am – 12 noon. ** Bulk items ONLY please: no yard waste, no tires, no hazardous material, no waste oils, and no liquids.

RECYCLING:

Your recycling cart will be serviced **bi-weekly** (every other week) based on the enclosed calendar. The following items are banned from Wisconsin landfills and as a result should be placed in your recycling cart for proper processing, handling and/or reuse:

- Aluminum containers, glass containers, steel containers (tin/aluminum cans)
- Bi-metal containers (i.e. containers made from a combination of steel and aluminum)
- Corrugated cardboard (all corrugated cardboard cut into pieces no larger than 3' x 3')
- Magazines and other materials printed on similar paper
- Newspaper and other materials printed on newsprint
- Mixed paper
- Plastic containers #1 - #7 - milk jugs, laundry detergent bottles, soda and water bottles, etc.
