INFORMATION TO ELECTORS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence if the elector provides proof of residence. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where Paper Ballots are Used

The voter shall make a mark (X) in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote.

Touch Screen Voting System

The voter shall touch the screen at the party of his or her choice. The voter shall then touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If a voter spoils a paper ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

The voter may spoil a touch screen ballot at the voting station before the ballot is cast.

After Marking the Ballot

After an official paper ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall then deposit the voted ballot in the ballot box (or deliver the
