

Notice of Connect Communities Kick-Off Meeting  
Wednesday, July 20, 2016  
8:00 A.M.  
Boulder Junction Community Center, Boulder Lake Room  
5392 Park Street, Boulder Junction, WI 54512

The Town of Boulder Junction has been accepted into the **Wisconsin Economic Development Corporation (WEDC)'s Connect Communities Program**, an initiative that works with communities to advance economical development efforts.

The **Connect Communities Program**, which was launched in January of 2013, provides access to resources and training to help communities pursue revitalization and redevelopment efforts. In its first two years, participating communities have reported adding 175 net new businesses and more than 550 jobs, as well as \$30 million in private investment.

Anyone interested in helping develop Boulder Junction's economy – including but not limited to business owners. The local economy affects every stakeholder in the community – not just downtown business owners. All are welcome and encouraged to attend to become informed and/or to get involved.
