WHAT IS CONSIDERED A TIMELY PAYMENT HAS CHANGED!

A payment is considered timely if it is mailed in a properly addressed envelope with a U.S. Postal Service postmark, before midnight of the due date. Due to government/USPS inefficiency of recent years, they have put out notice that items are **NOT POSTMARKED THE DAY THEY ARE RECEIVED** anymore. It can take up to 3 days to postmark an envelope! In your mailbox on December or January 31, will likely incur interest & penalties to your tax bill. Avoid this by paying in person or mailing early! <https://www.wislawnow.com/2025/11/postmark-changes-at-the-post-office-and-late-mail/>
