# NEW YORK STATE DEPARTMENT OF TAXATION & FINANCE OFFICE OF REAL PROPERTY TAX SERVICES

### INSTRUCTIONS FOR APPLICATION FOR LOCAL GOVERNMENT EXEMPTION IMPACT REPORT (Real Property Tax Law Section 495)

Chapter 258 of the Laws of 2008 added Section 495 to the Real Property Tax Law requiring counties, cities, towns, villages and school districts to attach to their tentative/preliminary budgets an exemption report. The measure is effective October 5, 2008 and applies to budgets for fiscal years commencing on and after that date.

Notice of the report is required to be included in any notice of the preparation of the budget otherwise required by law. Also, the report is required to be posted on any bulletin board maintained by the budgeting authority for public notices and on any website maintained by the budgeting authority. In addition to being attached to the tentative/preliminary budget, the report also will be part of the final budget.

The exemption report is required to show how much of the total assessed value on the final assessment roll used in that budgetary process is exempt from taxation. (Due to the timing of school district budgeting, school districts may need to use the latest final assessment roll). The law requires exemption reports to include:

- Every type of exemption granted by the taxing authority, and the cumulative impact of each type of exemption (in either dollar amount of assessed value or as a percentage of the total assessed value on the roll);
- The cumulative amount expected to be received from recipients of each type of exemption as payments in lieu of taxes or other payments for municipal services; and
- The cumulative impact of all exemptions granted.

Exemption categories that are less than one percent of the value of the entire roll can be grouped together as one category and labeled as "other" or some other appropriate title.

More information -- including questions and answers, the law itself and a sample report -- is available online: <a href="http://www.tax.ny.gov/research/property/exempt/exemptionreporting.htm">http://www.tax.ny.gov/research/property/exempt/exemptionreporting.htm</a>.

The following instructions correspond to the information requested on the RP-495 and RP-495 PILOT forms.

Date - Date report prepared

Taxing Jurisdiction - Name of county, city, town, village or school district

Fiscal Year Beginning – The year in which the fiscal year begins (e.g., if the report applies to a municipal budget for the fiscal year beginning January 1, 2009, enter "2009")

Total Equalized Value in Taxing Jurisdiction –

- For cities, towns, village assessing units, school districts within one municipality and nonassessing villages within one municipality - the total equalized value is the total assessed value of all parcels divided by the level of assessment of the municipality on the assessment roll.
- For counties, school districts in more than one municipality, and non-assessing villages in
  more than one municipality the total equalized value is the sum of the total equalized values
  of the municipal segments thereof. For each municipal segment, the total equalized value is the
  total assessed value of all parcels in the segment divided by the level of assessment of the
  municipality on the latest assessment roll.

**Exemption Code** – The 5-digit code that identifies the type of exemption. These codes are issued by the Office of Real Property Tax Services and are available online: <a href="http://www.tax.ny.gov/research/property/assess/manuals/vol4/pt1/section2/sec2\_02.htm">http://www.tax.ny.gov/research/property/assess/manuals/vol4/pt1/section2/sec2\_02.htm</a>. The exemptions for each parcel are identified by these 5-digit codes on the assessment roll.

Exemption Description – Title of the exemption (e.g. Enhanced STAR, Senior Citizens, State-owned, County-owned, Industrial Development, Farm Building, etc.) are also available from <a href="http://www.tax.ny.gov/research/property/assess/manuals/vol4/pt1/section2/sec2\_02.htm">http://www.tax.ny.gov/research/property/assess/manuals/vol4/pt1/section2/sec2\_02.htm</a>. The description can also be the exemption title used on tax bills.

Statutory Authority – The section of the law authorizing the exemption. This can also be found online <a href="http://www.tax.ny.gov/research/property/assess/manuals/vol4/pt1/section2/sec2\_02.htm">http://www.tax.ny.gov/research/property/assess/manuals/vol4/pt1/section2/sec2\_02.htm</a>.

Number of Exemptions - The total count of parcels receiving this exemption in the taxing jurisdiction

### Total Equalized Value -

- For cities, towns, village assessing units, school districts within one municipality and non-assessing villages within one municipality the total equalized value is the sum of the exempt assessed values of all parcels with this exemption divided by the level of assessment of the municipality on the assessment roll.
- For counties, school districts in more than one municipality, and non-assessing villages in
  more than one municipality the sum of total equalized exempt value of each municipal
  segment for each individual exemption code. For each municipal segment, the total equalized
  value is the sum of the exempt assessed values of all parcels with this exemption divided by the
  level of assessment of the municipality on the assessment roll.

Percentage of Value Exempted – The total equalized value in Column E divided by the Total Equalized Value in the Taxing Jurisdiction listed above.

Amount, If Any, Attributed to Payments in Lieu of Taxes (PILOTs) – The total amount of all PILOTs, as listed on the RP-495-PILOT. Taxing jurisdictions without PILOTs will enter "0" and not complete the RP-495-PILOT.

RP-495-PILOT – Each PILOT agreement is listed under one or more exemptions. Similar to the RP-495, the code(s) for each PILOT is listed with accompanying information, as described above. No equalization is necessary because the PILOTs are made in actual dollar amounts.

### DRAFT for INTRODUCTION

### **TOWN OF COPAKE**

Local Law No. \_\_ of 2022

A Local Law to Amend the Copake Zoning Code in Relation to Cannabis Retail Businesses

### BE IT ENACTED BY THE TOWN BOARD OF THE TOWN OF COPAKE AS FOLLOWS:

Section 1. Purpose and legislative intent.

The State of New York has recently enacted the New York Cannabis Law, which allows the sale of cannabis and cannabis products and provides for the licensing of, among other things, Cannabis Dispensaries. The Cannabis Law also provides that "towns, cities and villages may pass local laws and regulations governing the time, place and manner of the operation of licensed adult-use cannabis retail dispensaries, provided such law or regulation does not make the operation of such licensed retail dispensaries unreasonably impracticable." Pursuant to this authority, and in accordance with subdivisions C.(3) and C.(5) of section 232-1 of the Copake Zoning Code, which enumerate as purposes of the Copake Zoning Code: "To provide adequate and suitably located commercial facilities" and "To encourage agriculture to continue as a land use activity in the Town because of its importance to the local economy and the preservation of open space," this local law is enacted to allow the establishment of Cannabis Dispensaries, in locations and manners consistent with the zoning and land use goals of the Town of Copake.

### § 2. Enacting authority.

This local law is enacted pursuant to the New York Municipal Home Rule Law, section 131 of the New York Cannabis Law, and chapter 232 of the Code of the Town of Copake, as authorized by the New York State Constitution, the New York Municipal Home Rule Law, Article 16 and other relevant provisions of the Town Law of the State of New York, and the Code of the Town of Copake.

§ 3. The following definition is added to section 232-3 of the Code of the Town of Copake:

**CANNABIS DISPENSARY:** A commercial retail establishment operating under license of the New York State Cannabis Control Board, authorized to engage in the retail sale of cannabis products for off-site consumption, but in no case permitted or authorized to allow the on-site consumption of cannabis or cannabis products.

§ 4. Table 2 of Chapter 232 of the Code of the Town of Copake ("Table of Use Regulations") is amended as follows:

The use entitled "Cannabis Dispensary" is added to Table 2 of Chapter 232 of the Code of the Town of Copake ("Table of Use Regulations") as Business Uses permitted in the HB

(Hamlet Business), HW-B (Highway Business), and MU (Mixed Use) zoning districts contingent upon securing a special use permit and site plan review approval.

- § 5. A new section 232-16.2.1, entitled "Cannabis Businesses" is added to Chapter 232 of the Code of the Town of Copake, as follows:
  - A. The hours of operation of a Cannabis Dispensary during which the establishment may be open to the public and retail sales may be carried out shall be limited to the hours between 9:00 AM and 9:00 PM.
- § 6. Effective Date.

This law shall become effective immediately upon filing with the Secretary of State.

END.

Dear Town Board member,

I recently applied to have a summer intern to the program described below. Because the town does not have to provide anything at all to the intern. It did not occur to me to notify you right away. However, a couple of days ago, when I informed Jeanne about my application, she advised that I should have done so. I apologize that I did not realize that.

In any case, if my application is approved, I believe the town will benefit nicely from having another person working to bring out even more information about its history.

Sincerely,

Howard Blue Copake Town Historian

Subject: Geneseo Center for Local and Municipal History Internship Opportunity

I would like to invite you to participate in the Gardiner Foundation Semiquincentennial Summer Fellowship Program. We are soliciting applications from government-appointed historians across New York State. This exciting program will place college student fellows in your office in the summer of 2023 or 2024 to work with you on public-facing projects commemorating the 250<sup>th</sup> anniversary of American Independence. We would love to be of assistance!

Funded by the Robert David Lion Gardiner Foundation, this program will offer fellowships to fifty students from seven colleges and universities (Canisius College, Cornell University, Brooklyn College (CUNY), SUNY Geneseo, SUNY New Paltz, SUNY Potsdam, and Stony Brook University). If you are selected, we will pay you \$500 dollars for your work with a Gardiner Foundation Semiquincentennial Summer Fellow. The Geneseo Center for Local and Municipal History at SUNY Geneseo will pay the student fellows. Faculty mentors from the participant colleges and universities and the program director will visit each student fellow during the summer to provide advice and support. Each student will be available to work approximately 150 hours over the course of

the summer of 2023 or 2024.

The Geneseo Center for Local and Municipal History, this project's headquarters, shares with local historians a simple but important goal: to present history to as large an audience as possible. The program will benefit local historians by providing them with the energy, commitment and expertise of the program's faculty mentors and their talented student fellows. I hope we can all work together to contemplate the layered meanings of the revolution and American independence in myth, memory, and history as we approach its 250<sup>th</sup> anniversary.

Among the questions you might consider for this ambitious program are:

How have New Yorkers defined "life, liberty, and the pursuit of happiness" over the 250 years since American Independence?

- What have New Yorkers meant when they asserted their belief that "all men are created equal" and how have those meanings changed over time?
- How have New Yorkers remembered the American Revolution, and its conflicting legacies, since 1776?

More broadly, we feel reflection on the meaning of independence will encourage salutary community conversations about these broader questions:

How did we get here? What historical forces have made our community the way it is?

- What are the historical sources of the challenges we face as members of communities?
- How can we confront those challenges effectively, and what have we tried before?
- What obligations do we have as members of our communities to those who came before us?
- How well have we lived up to the highest ideals of the American Revolution?

We believe a community-wide reflection on the meaning of independence will help increase civic engagement, produce a more historically informed public, and help contribute to a deeper understanding of the American Revolution and its ambivalent legacy as the 250<sup>th</sup> anniversary of Independence approaches. We are excited to work with you and have our student fellows assist you.

# Resolution Number 30 of October 13, 2022 Opposition to Proposed Siting of the Shepherd's Run Solar Project within the Taghkanic Creek Watershed

WHEREAS, on August 5, 2020, Hecate Energy Columbia County 1 LLC did file a Preliminary Scoping Statement pursuant to Article 10 of the New York State Public Service Law, by which Hecate detailed its plans to construct Shepherd's Run Solar Facility, to be sited within the Taghkanic Creek Watershed located in the Town of Copake and Hamlet of Craryville, New York; and

WHEREAS, on May 4, 2021 Hecate Energy Columbia County elected to subject its Shepherd's Run proposal to the 94-c permitting process rather than that of Article 10, and did on March 8, 2022 file a siting permit application with the Office of Renewable Energy Siting pursuant to Section 94-c of the New York State Executive Law; and

WHEREAS, Taghkanic Creek is a waterway designated by the State of New York that flows through the Town of Copake and specifically through the Hamlet of Craryville, and does supply water to the City of Hudson and also supports clean drinking water in Taghkanic, Hillsdale, Claverack, and Copake; and

**WHEREAS,** in 2022 the Columbia Land Conservancy published the Taghkanic Headwaters Conservation Plan, which seeks to protect the Taghkanic Creek and the Taghkanic Creek's Watershed; and

**WHEREAS,** on August 11, 2022 the Commissioner of the Department of Environmental Conservation announced the completion of the Taghkanic Headwaters Conservation Plan and applauded the Columbia Land Conservancy for their work in producing this Plan; and

**WHEREAS,** on August 13, 2022, the Town Board of the Town of Copake voted unanimously to approve the Taghkanic Headwaters Conservation Plan; and

WHEREAS, pursuant to the Codes and Regulations of the City of Hudson, the Taghkanic Creek Watershed is specifically protected by state regulation 10 NYCRR 109.1, which states, "No person, including State agencies or political subdivisions having jurisdiction, shall perform any act or grant any permit or approval which may result in the contravention of the standards for raw water quality..."; and

WHEREAS, neither Hecate Columbia County nor the New York State Office of Renewable Energy Siting have sufficiently considered the Taghkanic Headwaters Conservation Plan, the applicability of 10 NYCRR 109.1, or the potential adverse impacts of the construction and operation of the proposed Shepherd's Run facility on the Taghkanic Creek Watershed and the drinking water of Hudson, Taghkanic, Hillsdale, Claverack, and Copake;

### NOW, THEREFORE BE IT

**RESOLVED** that the Town Board of the Town of Copake urges the New York State Office of Renewable Energy Siting to continue to deem the application of Hecate Energy Columbia County 1, LLC incomplete

unless and until Hecate can provide evidence that the construction of Shepherd's Run, and once constructed, the presence of Shepherd's Run, will not negatively impact the Taghkanic Creek Watershed, or the water quality in the City of Hudson or any other Columbia County Town; and it is further.

**RESOLVED,** that the Town Board of the Town of Copake urges the Columbia County Board of Supervisors to pass a Resolution urging the New York State Office of Renewable Energy Siting to continue to deem the application of Hecate Energy Columbia County 1, LLC incomplete unless and until Hecate can provide evidence that the construction of Shepherd's Run, and once constructed, the presence of Shepherd's Run, will not negatively impact the Taghkanic Creek Watershed, or the water quality in the City of Hudson or any other Columbia County Town.

### OFFICE OF REAL PROPERTY TAX SERVICES

To: City Clerks and Town Clerks

From: Educational Services Unit, Office of Real Property Tax Services

**Subject**: Please report Board of Assessment Review information

It's time to review Board of Assessment Review member appointments and reappointments. If you have not already done so, please check your municipal records to determine which BAR appointments in your municipality have expired and if any vacancies exist. If necessary, please arrange for the BAR appointment item or items to be added to the next board meeting agenda.

### After the appointment or reappointment is made

- 1. Use the attached Board of Assessment Review Member Listing to reflect new information and changes to existing information.
- 2. Return the form to your County Director of Real Property Tax (RPT) Services. The information you provide will be used to determine the BAR training schedule for the spring of 2023.
- 3. If, after reviewing the frequently asked questions below, you have questions, please contact your County RPT Director.

# Boards of Assessment Review Frequently Asked Questions

### Q. What is the purpose of the Board of Assessment Review (BAR)?

**A.** The BAR's purpose is to guarantee taxpayers' rights by hearing real property assessment complaints (grievances) and arriving at fair and impartial determinations regarding those complaints.

### Q. Who must attend training?

**A.** Initial appointees and re-appointees to the BAR must attend a BAR training session in order to participate in the hearing and determinations of assessment complaints on grievance day.

**Note:** BAR members who received an extension to complete the training in 2022 must fulfill the training requirement in 2023. ORPTS will not extend the training requirement for a second year.

### Q. How are BAR appointments determined?

**A.** Section 523 of the Real Property Tax Law prescribes BAR appointments. The Town Board or the City Council appoints members for a five-year term of office. Terms of office *must begin on* 

October 1 and end on September 30, five years later. Terms should be staggered so that only one term expires each year.

Persons appointed on a date other than October 1 to fill an unexpired term serve until September 30 of the year that term ends.

The BAR must consist of not less than three nor more than five members.

Neither the assessor nor any of his or her staff may be appointed to the board.

In addition, the majority of the board must consist of members who are not officers or employees of the local government or village.

### Q. Are there different types of Board of Assessment Review memberships?

**A.** There are two types of BAR members: regular members (described above), and temporary members.

Regular BAR members make all final determinations regarding assessments (Real Property Tax Law, section 523-a).

**Temporary members are appointed to serve on administrative hearing panels.** Up to two temporary members can be appointed for each regular member on the BAR. Temporary members:

- are appointed to one-year terms,
- are required to attend training every year, and
- can only make recommendations regarding assessment determinations.

### Q. What if an assessing unit can't find enough qualified members for a BAR?

**A.** The new subdivision (5) of RPTL section 1537 allows for the county legislature to appoint members to the BAR. An agreement between an assessing unit and a county for assessment review services shall provide for the members of the board of assessment review of the assessing unit to be appointed by the legislative body of the county upon the recommendation of the county director of the real property tax services. Each member so appointed shall be a resident of the county but need not be a resident of the assessing unit. The BAR as so constituted shall have the authority to receive, review and resolve petitions for assessment review filed in such assessing unit, and for the corrections of errors therein, to the full extent set forth in article five of this chapter.

### Q. Do Board of Assessment Review members receive certificates?

**A.** Yes. The County RPT Director provides the training and distributes "certificates of attendance" to each BAR member who attends the course. A copy of the certificate is filed with the city or town clerk.

# Q. What happens if, after exploring all alternatives with the county director, a BAR member does not attend the training course when required to do so?

**A.** The BAR member should explore all options with their county director and even the directors of neighboring counties to attend BAR training when they are required to attend. They should always seek alternate training dates or arrangements before using the last resort of applying for an extension.

If a BAR member is unable to attend the courses offered as explained above, due to reasons they cannot control, they must submit a request in writing to the Office of Real Property Tax Services (ORPTS) Educational Services Unit: orpts.edservices@tax.ny.gov. The extension request must be received at least ten working days prior to Grievance Day and must include the **specific** reason for not attending the prescribed training.

If an extension is granted, the BAR member will be notified as soon as possible prior to Grievance Day and will be allowed to participate as a BAR member with the understanding that they must attend the next available training session.

If an extension is denied, the BAR member cannot be counted in determining whether a quorum is present at a meeting of the BAR. Furthermore, such members may not participate in the hearing and determination of complaints.
