Highway Department January 2023 Monthly Report:

Snow and Ice Control was the primary duty for the past month. During the month of December either our full crew or partial crew conducted snow and ice removal operations on 6 separate days. These include: days with storms, days with windblown drifts, days pretreating, and days cleaning up following storms

Mixed sand and salt on several days to replenish our sand building stockpile

Between snow/ice storms we continued to clean, inspect and repair our equipment. All routine maintenance and nearly all equipment repairs are done in house.

Hauled gravel into our stockpile for spring projects

Chipped downed trees and limbs on one day

We sandblasted and painted our vac truck

Spent six days removing dead trees

Cleared a drainage runoff on Robin Road with a rented mini excavator

Inter-departmental assistance the Highway Department provided:

Town

Picked up paper at Taconic Hills and transported it to the Town Hall

We picked up envelopes at the Real Property office in Hudson and transported them to the Town Hall

We took down the holiday lights from the Town properties

Inter-municipal Cooperation included:

Ancram Highway

They removed the holiday lights from the tree at Folgers Triangle
