Re: Local Law No. 3 of 2023 pertaining to a six-month moratorium on Major Subdivisions

Dear Supervisor Mettler and Members of the Board,

At the February 18, 2023 Planning Board Special Meeting the members discussed Local Law No. 3 of 2023 pertaining to a six-month moratorium on Major Subdivisions.

The Board discussed enacting a six-month moratorium to review this law and a motion was unanimously voted upon to grant approval to the Town Board to enact a six-month Moratorium on Major Subdivisions.

No objections were made.

Sincerely,

Lisa DeConti for
Members of the Planning Board
