To: Copake Town Board
Fr: Planning Board
Re: Comprehensive Plan Review

Dear Supervisor Mettler and Members of the Board,

At the May 4, 2023 Planning Board meeting the members discussed the fact that it has been a while since the Comprehensive Plan has been updated. Inasmuch as this is usually done every five to ten years, the Board is making a recommendation that the Town Board consider a review of the Comprehensive Plan.

Sincerely,
Lisa DeConti for
Members of the Planning Board
