Re: The Ridge at Copake Lake Conservation Easement

Dear Supervisor Mettler and Members of the Board,

At the May 4, 2023 Planning Board meeting the members discussed the Conservation Easement for the Ridge at Copake Lake.

The Board feels that the easement appropriately protects the land it is supposed to protect and is consistent with the Zoning Code.

They unanimously approved the Conservation Easement for the Ridge at Copake Lake on a motion made by Mr. Haight and seconded by Ms. Becker.

Sincerely,
Lisa DeConti for
Members of the Planning Board
