

Exhibiting at Camphill Village Copake

The words and photos of this exhibit will be on display in the foyer of Fountain Hall at Camphill Village. The Sheffield Historical Society in Sheffield, MA curated the exhibited under guidance from members of the Stockbridge-Munsee Band.

“Mohican” derives from Muhheconneok, meaning the people of the waters that are never still—whose ancestral lands are in the Berkshires and Hudson Valley. Many members of the Stockbridge-Munsee Band now live in Wisconsin.
