Town of Dane

- 2023 Snapshot *through June*
 - 15 new library members from the Town (6 at this point last year)
 - 1,487 checkouts to Town residents (1,065 at this point last year)
 - Monthly outreach story times at 2 home daycares in Town of Dane
- Gave us \$750 in 2021 and 2022
- That money helped us purchase:
 - New materials that circulate throughout the county
 - Book prizes for summer reading
 - Summer programs that benefit the entire area
- We are *grateful* for your support and we hope that it continues this year!

How we help.

And why you're essential.

We are a central hub of learning and creativity.

A community space for all ages, interests, and viewpoints.

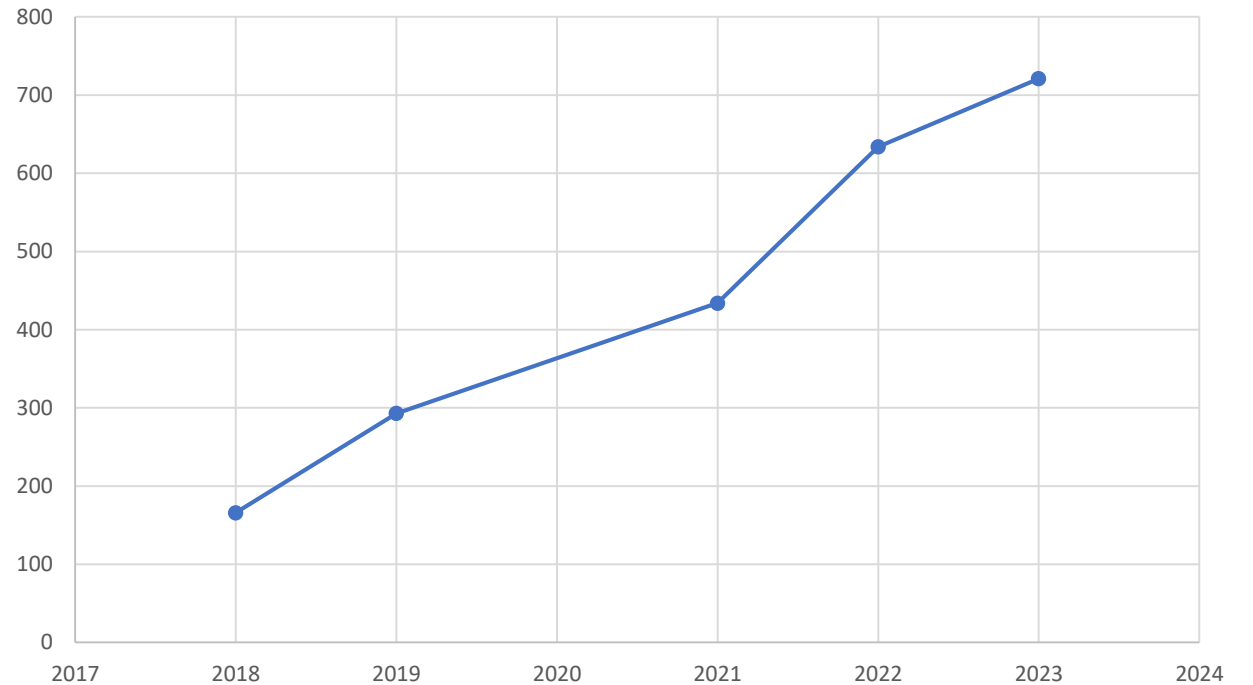

We offer another great reason for people to visit the area, shop, move here, build businesses, and start families. In fact, in our survey for our Strategic Plan, we received feedback from families who travel from all over Columbia County just for our programs.

Local township support is an essential part of our success. We cannot thrive without your support.
