

Town of Dover Engineer Reimbursement Agreement

Any plans, certified survey maps (CSM's), should be submitted to the Town of Dover's Engineer, William Hein. Once the applicable information is obtained the engineer will evaluate the situation, call/email if additional information is required, and provide a written overview to the applicant, Building Inspector, and Town Clerk for dissemination to the Dover Town Board, and Plan Commission.

The undersigned acknowledges that any and all costs associated with this review by the contracted Town Engineer, William Hein, will be billed to the applicant at the current hourly rates. The undersigned hereby acknowledges that a one hundred seventy-five (\$175) down payment will be made by the applicant before any Engineer work can begin.
