

NOTICE OF REFERENDUM

Town of Dover, in Racine County, Wisconsin

Referendum Election Details

At an election to be held in the Town of Dover, in Racine County Wisconsin, on April 7, 2026, the following proposed Referendum of the Town of Dover, will be submitted to a vote of the people:

Resolved: that the Town Board of the Town of Dover hereby approves the insertion of the following Referendum, in the Spring Election which will be held on April 7, 2026:

“Under state law, the increase in the levy of the Town of Dover for the tax to be imposed for the next fiscal year, 2027, is limited to 1.059%, which results in a levy of \$547,454.00. Shall the Town of Dover be allowed to exceed this limit and increase the levy for the next fiscal year, 2027, for the purpose of sustaining full municipality services, by a total of 104.50%, which results in a levy of \$1,119,542, and on an ongoing basis, include the increase of \$572,088, for each fiscal year going forward?”

Be it Further Resolved: That the Town Clerk publish the Public Notices required under the Wisconsin Statutes for the Referendum, and coordinate with the Racine County Clerk the inclusion of the Referendum in the upcoming Spring Election

TOWN OF DOVER
RACINE COUNTY WISCONSIN

Ballot Text

The question will appear on the ballot as follows:

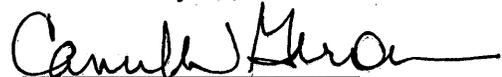

“Under state law, the increase in the levy of the Town of Dover for the tax to be imposed for the next fiscal year, 2027, is limited to 1.059%, which results in a levy of \$547,454.00. Shall the Town of Dover be allowed to exceed this limit and increase the levy for the next fiscal year, 2027, for the purpose of sustaining full municipality services, by a total of 104.50%, which results in a levy of \$1,119,542, and on an ongoing basis, include the increase of \$572,088, for each fiscal year going forward?”

Explanation

A “YES” vote will allow the Town of Dover to increase the property tax levy to maintain the current paramedic-level EMS services and meet increasing operational and capital costs.

A “NO” vote will require reductions in EMS from paramedic level to a technician who cannot administer medications and the continuation of no road or building improvements.
