RULES FOR SNOWPLOWING 2022-2023 WINTER

A contract with the Town of Goodman must be signed and dated by the owner or occupant giving the Town permission to enter upon his/her property.

1. **All Contracts are to be Postmarked on or before November 5th of each year.** The owner or occupant must pay the Town of Goodman the sum of:
\$150.00/Private or \$175.00/Business
before said date. **Contracts postmarked after this date will be assessed a late fee of \$25.00. If you do not include the late fee with your payment, you will be billed. No contracts will be accepted after December 1st.**
2. The Town reserves the right to refuse snowplowing on any driveway it deems in such condition as to render it unsuitable for its equipment. The Town will not be liable for any damage to driveways (gravel or blacktop), lawns and yards.
3. No driveway will be plowed unless there is a 12-foot clearance from overhead obstructions such as trees, wire etc.
4. Plowing of driveways is not to interfere with snow removal from roads and streets as determined by the Town Board. There will be no special trips to plow. When the snowplows go out, they do all Streets, roads, and Bus Routes first. Driveways only get plowed when at least 3 to 4 inches of snow has fallen or by Town Board discretion. Permanent residents have priority of being plowed first unless prior notice is given. Sanding of parking lots/ driveways is a courtesy; it is not included with the snowplow contract.
5. Early Fall and late Spring when road weight limit go in effect; Driveways will only be plowed with the Town Board and Road Forman's approval.
6. Mailbox damage by the impact of plowed snow or ice shall be replaced or repaired by the mailbox owner at the owner's expense. If the mailbox is hit by the Town plow and damaged the Town will replace the mailbox.
