

**Minutes**  
**Town of Keystone Board Meeting**  
**Wednesday, JULY 9, 2025 7:00pm**  
**Keystone Town Hall**

Present:

Scott Galetka	Jeff Bradley	John Moore	Walter Gurske	Melanie Randell
<b>Chairman</b>	<b>Supervisor</b>	<b>Supervisor</b>	<b>Treasurer</b>	<b>Clerk</b>

Meeting called to order 704 PM

No Minutes to review. Computer crashed.

**Treasury Report-**

Gurske gives Treasury Report.

One major purchase- Backhoe

\$5,000 loan payment reflected on loan account. Loan numbers may differ from what was previously believed to be due to gaining access to the accounts. Now have actual real time numbers available that account for interest.

State of Wisconsin payments deposited to accounts, Revenue sharing.

Punchcards just need ordered

Galetka motions to approve treasury report, Bradley seconds. Motion carries to approval

**Clerks Report-**

Randell gives clerks report

Review of bills, approve and sign check payments.

Credit card will need further research as options have changed. Galetka will look into what other towns use to aid the decision.

Operators licenses for Pagacs Bar are reviewed. Galetka motions to approve licenses. Moore seconds. Motion approved for Individual Operators Licenses.

Galetka motions to approve Clerks Report. Moore seconds. Motion carries to approve report.

**Roadworkers-**

Backhoe loader with concrete breaker was pickerd up.

Patched Janacek and Tomich Rd. 236 patched as well.

Cracksealing to be continued.

Motel Rd needs work.

Equipment in good conditions. Roads and culverts not needing replaced in good condition.

60 Yards of sand in stock for winter. Will need more.

Patching is holding up well from previous years.

Petras Rd needs cracksealed. With short staff and heat, progress is not going as quickly as expected with some road projects. Costs of road projects estimated at about \$30,000 per mile for blacktop and crackseal.

Discuss grant update. \$1.2M for project. Getting pictures and letters of recommendations for grant application. Work would be done 2-3 years from now. Unsure of when approval or denial will be. US Forestry will help with the grant. There may be other grants available if this one is denied.

Applied for additional bridge aid funds. 80ft of culvert on Janacek, Keystone, Petras, among others to be done. Bradley motions to approve, Moore seconds. Motion approved to apply for funds.

Dust suppression on Pagac Rd is being continued.

Sander for winter being considered. Big sander is rusting and deteriorating and is past the point of repairs. Hoping it will last another season.

Discussed looking into buying a truck for town garage.

Meeting adjourned 802
