Pending Issues & Updates

1. Blowing sand still an issue. Not much more the town can do because of lack of an ordinance.
2. Continue to get complaints about neighborhood junk. There are many places that probably qualify for complaint by neighbors so if town aggressively enforces it could be quite disturbing for many in the town.
3. Sign was removed by Hayes Traylor that was not to code.
4. Water and culvert issue on Hale road ...pending
5. Waiting for county to name a new street being developed.
