

Help Needed

The Towns of Prairie Lake and Chetek have contracted to open the City of Chetek brush site for our residents to dispose of tree branches, trunks and stumps. In order to maintain order at the site, attendants are needed at the entrance. The Town of Prairie Lake has committed to providing personnel every day for the next 3 or 4 weeks for the 11 a.m. – 3 p.m. shift. At least 2 people per shift are required. The duties are to get the name and address of each person entering and to direct them where to deposit the materials that they are bringing in. The attendants that are cleared by the Town of Prairie Lake Clerk will be paid \$10/hour. Please respond by calling 715/924-2580 or 715-642-0900.

Anyone that wishes to volunteer a few hours should call the City of Chetek coordination team at 715/924-4440.
