ENGINEER/LAND SURVEYOR WHO PREPARED SITE PLAN:

NAME: _____ ADDRESS: _____

PHONE: _____ E-MAIL: _____

PROJECTED STARTING DATE: _____ FINISH DATE: _____

THIS APPLICATION MUST BE ACCOMPANIED WITH THE FOLLOWING

1. A Site Plan prepared by a licensed land surveyor/engineer showing existing topography and proposed final grading and location of all proposed structures and septic.
2. Total amount (total cubic yards) of fill or excavated materials involved.
3. Filling in a portion of a property or regrading property may result in surface water and/or ground water being concentrated or redirected off site. What affect will your project have on the abutting properties relative to storm water runoff? Please show existing and proposed drainage.

4. Erosion and control narrative describing how erosion and sedimentation controls will be installed and maintained throughout construction project.
5. A site restoration plan.
6. An application fee in the amount of \$25.00 plus an additional \$60.00 State of Connecticut fee per C.G.S. 22a-27j. If paying application fees by check, two separate checks will be required with both checks payable to the "Town of Prospect".

LETTER OF PERMISSION

The owner(s) of this land, by this letter, give permission to the Prospect Planning and Zoning Commission, granting the Town of Prospect and it's agents and employees, the right to enter upon the property for inspections as the work progresses, and to perform such work including, but not limited to, regarding, seeding, removal of debris, etc., as may be required to correct any violations of the terms of the Earth Removal, Excavating, Filling, Stockpiling and Grading Permit issued to the applicant listed above.
