There is a sinkhole and public works has covered this over for safety reasons. The storm drain was video taped to find out what the problem is and there was also a 2nd video taken at 15192 Redington drive. This was shown to G.A. Nichols company and they put together a proposal. A motion by Commissioner Will and seconded by Commissioner Kornijtschuk to accept the bid from G.A. Nichols in the amount of \$3,900.00. No public comment. Motion passed with all ayes.
- D. Town Attorney Services:** Mayor Simons stated that we had received a resignation letter from the town attorney. He noted that there were three options, one to not accept the resignation, two to accept the resignation, and the third, to get a new attorney if the decision was to accept the resignation. Commissioner Steiermann noted the letter given by attorney Daigneault that he would be resigning. He noted that he researched all the cities in Pinellas County and that the person that got great reviews was Regina Kardash. She had worked for Attorney Daigneault firm in the past and now works for Person, Cohen, and Mooney. She currently serves for Belleair and

Indian Shores and both are very happy with her and she is qualified. Mayor Simons noted that he believes this is premature as the options were to accept the resignation or not to accept. Commissioner Dorgan stated that he has been happy with Jay's firm. Commissioner Will asked Mr. Daigneault if he wanted to stay. His reply was that he has been with the town for 9 years and has enjoyed working for the town, he would like to continue with the town, but with confidence from the commission. Commissioner Will asked if Mr. Daigneault wished to withdraw his resignation letter. Commissioner Kornijtschuk asked if Mr. Daigneault would have any issue working with Luke Lirot on the customary use ordinance. Mr. Daigneault noted the him and Mr. Lirot have worked together many times in the past and does not have any issue working with him.

A motion by Commissioner Dorgan and seconded by Commissioner Will to reject the resignation letter. Roll Call vote was taken and passed with a majority.

MEMORANDUM

TO: Honorable Mayor and Members, Town of Redington Beach Board of Commissioners

FROM: R. Bruce McLaughlin, AICP, MCIP, Town Planner

SUBJECT: Friendship Park Improvements: Invitation to Bid 2019-01

EXECUTIVE SUMMARY

The Town received four bids – \$50,663, \$58,500, \$108,584, and \$113,431 – for this project. The low bidder incorrectly claimed that the specifications did not reflect the full scope of the work and refused to honor its bid. At the Board's instructions, Staff began negotiations with the second lowest bidder who refused to warranty two key components of the work and the Board decided to abandon those negotiations. In these circumstances, **THE TOWN'S PURCHASING POLICIES PERMIT THE TOWN TO REJECT ALL BIDS AND TO NEGOTIATE THE PROJECT ON THE OPEN MARKET AND STAFF RECOMMENDS THAT THE BOARD FOLLOW THIS COURSE OF ACTION.**

BACKGROUND

Applicant:	Town of Redington Beach
Location:	Friendship Park, Northwest side 164 th Avenue, W/NW of 16434 Redington Drive
Future Land Use Designation:	Recreation/Open Space
Zoning:	District 1F

The Town purchased Friendship Park in March, 1991, to provide an interior, waterfront, community park. The Town developed the park as a passive park with seating, a pergola for shelter, a kayak launch, landscaping, and other park amenities. After 9/11, a 9/11 memorial was added. Otherwise, Friendship Park has generally just undergone routine maintenance.

THE PROJECT

However, a project has now been designed on behalf of the Town to improve the park.¹ This project includes demolishing the existing pergola,² installing some retaining walls and adding some paving. This project was designed by Architectonics and has received zoning and building approval, subject to the substitution of a new contractor. The project became ready for construction bids in December, 2019.

NOTICE

No notice beyond notice of this Board meeting and inclusion of this matter on the Agenda is required.

AUTHORITY

Pursuant to §§ 4 and 5 of the Town Charter, the Town is governed by the Board of Commissioners which may exercise all powers available to a municipality under the Constitution and laws of the State of Florida. Those powers include making improvements to Town-owned property, including Friendship Park.

Purchasing goods or services for the Town is governed by state law and by Town Resolution 2016-04.

Resolution 2016-04 requires that projects estimated to cost more than \$15,000 be awarded through a competitive bid process. It is staff's opinion that the bid process established in the Invitation to Bid (ITB) and reviewed in the staff report dated December 13, 2019, complies with Resolution 2016-04.

¹ A separate project to relocate a stormwater outflow pipe on the northeast edge of the park property was recently completed.

² Construction of a new pergola will be part of a subsequent project to be bid separately.

Resolution 2016-04 further provides in pertinent part:

Section 5: The commission shall have the power in respect to all purchases or contracts **to reject any and all bids**, to re-advertise for bids **or to make the purchase or contract in the open market after the rejection of all bids**, provided that any such purchase or contract on the open market shall not exceed the price of the lowest responsible bidder of the bids rejected. The commission shall have further power to purchase or make contracts for professional services.

Resolution 2016-04, § 5, [Emphasis Added]

ANALYSIS

The bids received were:

Kloote Contracting	\$49,670.00 ³	90 days
Right of Way Contracting ⁴	58,500.00	30 days
Tampa Contracting	108,584.00	90 days
Eveland Brothers	113,411.00	120 days

All of the bids were in order in terms of signatures, license numbers, forms, etc. ⁵

At its February 5, 2020, meeting, this Board authorized Staff to prepare a formal contract with Kloote at its bid price plus 2% for the performance bond. However, at the initial field meeting with Kloote, Mr. Kloote claimed – incorrectly – that the plans and specifications did not accurately reflect the full scope of the work, and Mr. Kloote declined to honor his bid.

Subsequently, at its March 4, 2020, meeting, the Board was advised that Staff were negotiating with the second lowest bidder, Right of Way Contracting. Those negotiations progressed to the point that there was a draft contract with General and Special Conditions.

³ Subject to Clarifications and Exceptions. With the required performance bond, the Kloote bid is actually \$50,663.40.

⁴ Not on the Pinellas County pre-qualified list.

⁵ Not every bidder returned the debris disposal form but that form is not required until time of payment for the job.

At that point, Right of Way announced their “non-negotiable” refusal to provide a warranty for two key components of the project: the wall and the footer. At this Board’s meeting of April 1, 2020, the Board decided that the required warranties were also “non-negotiable” from the Town’s perspective and instructed Staff to cease negotiations with Right of Way, which was done on April 3, 2020.

Since the third lowest bid is more than \$50,000 higher than the second lowest bid, it is obviously imprudent to proceed with negotiations with the third lowest bidder.

Pursuant to Resolution 2016-04, the Town may reject all the bids it received and negotiate a contract for the work at or below the price of the lowest responsible bidder.

RECOMMENDATION

The Staff recommends that the Board by motion **REJECT ALL BIDS RECEIVED PURSUANT TO INVITATION TO BID 2019-01 AND INSTRUCT STAFF TO NEGOTIATE A CONTRACT ON THE OPEN MARKET PURSUANT TO RESOLUTION 2016-04.**

THIS AGREEMENT, entered into this _____ day of _____, year of _____, by and between the **STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION**, hereinafter referred to as "**FDOT**", and _____, hereinafter referred to as the "**MAINTAINING AGENCY**";

WITNESSETH:

WHEREAS, **FDOT** is authorized under Sections 334.044 and 335.055, Florida Statutes, to enter into this Agreement, and the **MAINTAINING AGENCY** has the authority to enter into this Agreement and to undertake the maintenance and operation of lighting on the State Highway System; and

WHEREAS, the **MAINTAINING AGENCY** has authorized its undersigned officers to enter into and execute this Agreement;

WHEREAS, **FDOT** has identified sites where lighting and/or lighting systems, hereinafter referred to as "Facilities", are located on the State Highway System within the jurisdictional boundaries of the **MAINTAINING AGENCY**. A list of the Facilities is included as Exhibit A, attached hereto and incorporated herein.

WHEREAS, the **MAINTAINING AGENCY** agrees to maintain the Facilities as further set forth herein.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, **FDOT** and the **MAINTAINING AGENCY** hereby agree as follows:

1. Maintenance of Facilities

- a. The **MAINTAINING AGENCY** shall maintain the Facilities listed in Exhibit A. The Facilities may include lighting for roadways, as well as park and ride, pedestrian overpasses, and recreational areas owned by or located on the property of **FDOT**. The Facilities shall not include lighting located in weigh stations, rest areas, or on Interstate highways.

The location and type of lighting to be maintained pursuant to this Agreement is set forth in Exhibit A. Any changes or modifications to Exhibit A must be in writing and signed by both **FDOT** and the **MAINTAINING AGENCY**. Any Facilities added to Exhibit A during the **FDOT**'s fiscal year shall be maintained and operated by the **MAINTAINING AGENCY** upon the **FDOT**'s final acceptance of installation of any new lighting and/or lighting systems. Prior to the start of each new fiscal year, the **MAINTAINING AGENCY** and **FDOT** shall amend Exhibit A to reflect any changes to the Facilities, including addition, removal, or change in lighting type maintained pursuant to this Agreement.

The **MAINTAINING AGENCY** will be compensated for Facilities added to Exhibit A by amendment of this Agreement in the **FDOT**'s fiscal year occurring after the lighting and/or lighting systems are installed and final acceptance of such installation is given by **FDOT**. In the event that no change is made to the previous year's Exhibit A, a certification from the **MAINTAINING AGENCY** shall be provided to **FDOT** certifying that no change has been made to Exhibit A during **FDOT**'s previous fiscal year. Unless stated otherwise, all references to fiscal years within this agreement refer to **FDOT**'s fiscal year, beginning July 1st and ending June 30th.

- b. In maintaining the Facilities, the **MAINTAINING AGENCY** shall perform all activities necessary to keep the Facilities fully operating, properly functioning, with a minimum of 90% of the lights burning for any lighting type (e.g., high mast, standard, underdeck, and sign) or roadway system at all times in accordance with the original design thereof, whether necessitated by normal wear and tear, accidental or intentional damage, or acts of nature. Required maintenance includes, but is not limited to, providing electrical power and paying all charges associated therewith, routine inspection and testing, preventative maintenance, emergency maintenance, replacement of any component parts of the Facilities (including the poles and any and all other component parts installed as part of the Facilities), and locating (both vertically and horizontally) the Facilities. All repairs or replacement will be in kind unless a variance is approved in writing by **FDOT**.

- c. All maintenance must be in accordance with the provisions of the following:
- (1) Manual of Uniform Traffic Control Devices; and
 - (2) All other applicable local, state, or federal laws, rules, resolutions, or ordinances, and **FDOT** procedures.
- d. For lighting installed as part of a **FDOT** project, the **MAINTAINING AGENCY's** obligation to maintain the Facility commences upon the **MAINTAINING AGENCY's** receipt of notification from **FDOT** that **FDOT** has formally accepted the project, except for the obligation to provide for electrical power, which obligation to provide for electrical power commences at such time as the lighting system is ready to be energized; provided, however, that the **MAINTAINING AGENCY** is not required to perform any activities which are the responsibilities of **FDOT's** contractor.

Prior to acceptance by **FDOT**, the **MAINTAINING AGENCY** shall have the opportunity to inspect and request modifications/corrections to the installation(s). **FDOT** agrees to make modifications/corrections prior to acceptance so long as the modifications/corrections comply with the installation contract documents and specifications.

- e. The term for this Agreement is seven (7) years. Either party may terminate this Agreement by a notice of termination. The notice of termination must be in writing. Should the **MAINTAINING AGENCY** choose to terminate the Agreement, the **MAINTAINING AGENCY** shall provide a minimum notice period of two (2) fiscal years prior to the effective date of termination and the notice shall be endorsed by the elected body (County Commission, City Council, or local agency governing body) under which the Agency operates. The effective date of the termination will coincide with the end of the **FDOT's** fiscal year of June 30th following the two-year notice.

The termination of this Agreement will not terminate maintenance responsibilities for lighting owned by the **MAINTAINING AGENCY**. Maintenance obligations for lights owned by the **MAINTAINING AGENCY** will remain the responsibility of the **MAINTAINING AGENCY**. Nor does termination of this Agreement operate to relieve the **MAINTAINING AGENCY** of any maintenance obligations contained in other agreements. Maintenance of lights governed by a separate maintenance agreement will continue per the terms of that separate maintenance agreement.

2. Compensation and Payment

FDOT shall pay to the **MAINTAINING AGENCY** a sum of \$ _____ for the fiscal year in which this Agreement is signed. Payments will be calculated and made in accordance with Exhibit A.

Prior to the beginning of each fiscal year, the **MAINTAINING AGENCY** shall submit an amended Exhibit A or a certification of no change to Exhibit A and **FDOT** and the **MAINTAINING AGENCY** shall agree on the amount and percentage of lighting to be paid for the coming fiscal year. **FDOT** will issue a work order confirming the amount and authorizing the performance of maintenance for each new fiscal year. The work order must be an **FDOT**-signed letter of authorization to the **MAINTAINING AGENCY** with a subject line containing the terms "State Highway Lighting, Maintenance, and Compensation Agreement work order". The work order must reflect the contract number, financial project number, FEID No. of the **MAINTAINING AGENCY**, the fiscal year, the percentage of lighting funded and the lump sum amount to be paid for the fiscal year indicated. The work order must be signed by the **MAINTAINING AGENCY** and returned to **FDOT**. Failure by the **MAINTAINING AGENCY** to take any of the actions required by this paragraph may result in nonpayment by **FDOT**.

FDOT expressly assigns its rights, interests and privileges pertaining to damage to Facilities caused by third parties to the **MAINTAINING AGENCY**, so they may pursue all claims and causes of actions against the third parties responsible for the damage. **FDOT** will assist the **MAINTAINING AGENCY** and will confirm the **MAINTAINING AGENCY's** authorization to pursue recovery. The **MAINTAINING AGENCY** will be responsible for all attorneys' fees and litigation costs incurred in its recovery activities.

3. Record Keeping

The **MAINTAINING AGENCY** shall keep records of all activities and report all maintenance performed and replacement components and parts installed pursuant to this Agreement. The records shall be kept in an electronic format approved by **FDOT**.

Records shall be maintained and made available upon request to **FDOT** during the period of this Agreement and for three (3) years after final payment for the work pursuant to this Agreement is made. Copies of these documents and records will be furnished to **FDOT** upon request.

4. Invoicing

The **MAINTAINING AGENCY** shall invoice **FDOT** annually in a format acceptable to the **FDOT**. Invoices must be submitted no earlier than May 1 and no later than June 15 of the fiscal year in which the services were provided in order to be processed for payment by June 30.

Upon receipt, **FDOT** has five (5) working days to inspect and approve the goods and services. **FDOT** has twenty (20) days to deliver a request for payment (voucher) to the Department of Financial Services. The twenty (20) days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within forty (40) days, a separate interest penalty at a rate as established pursuant to Section 215.422, Florida Statutes, will be due and payable, in addition to the invoice amount, to the **MAINTAINING AGENCY**. Interest penalties of less than one (1) dollar will not be enforced unless the **MAINTAINING AGENCY** requests payment. Invoices returned to a **MAINTAINING AGENCY** because of **MAINTAINING AGENCY** preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to **FDOT**.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for contractors/vendors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 410-9724 or by calling the Chief Financial Officer's Hotline, 1-800-848-3792.

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. In the event this Agreement is in excess of \$25,000 and has a term for a period of more than one (1) year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

FDOT, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection shall be null and void, and no money may be paid on such contract. **FDOT** shall require a statement from the Comptroller of **FDOT** that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of **FDOT** which are for an amount in excess of \$25,000 and which have a term for a period of more than 1 year.

5. Default

In the event that the **MAINTAINING AGENCY** breaches any provision of this Agreement, then in addition to any other remedies which are otherwise provided for in this Agreement, **FDOT** may exercise one or more of the following options, provided that at no time may **FDOT** be entitled to receive double recovery of damages:

- a. Pursue a claim for damages suffered by **FDOT** or the public.
- b. Pursue any other remedies legally available.
- c. As to any work not performed by the **MAINTAINING AGENCY**, perform such work with its own forces or through contractors and seek reimbursement for the cost thereof from the **MAINTAINING AGENCY** if the **MAINTAINING AGENCY** fails to cure the non-performance within fourteen (14) days after written notice from **FDOT** of the non-performance; provided, however, that advance notice and cure will not be preconditions in the event of an emergency.

6. **Force Majeure**

Neither the **MAINTAINING AGENCY** nor **FDOT** will be liable to the other for any failure to perform under this Agreement to the extent such performance is prevented by an act of God, war, riots, natural catastrophe, or other event beyond the control of the non-performing party and which could not have been avoided or overcome by the exercise of due diligence; provided that the party claiming the excuse from performance has (a) promptly notified the other party of the occurrence and its estimated duration, (b) promptly remedied or mitigated the effect of the occurrence to the extent possible, and (c) resumed performance as soon as possible.

7. **Miscellaneous**

- a. **FDOT** shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation will be cause for unilateral cancellation of this Agreement.
- b. The **MAINTAINING AGENCY** shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the **MAINTAINING AGENCY** in conjunction with this Agreement. Failure by the **MAINTAINING AGENCY** to grant such public access will be grounds for immediate unilateral cancellation of this Agreement by **FDOT**.
- c. This Agreement constitutes the complete and final expression of the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, or negotiations with respect thereto. Without limiting the generality of the foregoing, this Agreement shall replace and supersede all prior agreements between **FDOT** and the **MAINTAINING AGENCY** with respect to maintenance of the lighting and/or lighting systems for the Facilities identified in Exhibit A.
- d. This Agreement is governed by the laws of the State of Florida. Any provision hereof found to be unlawful or unenforceable are severable and will not affect the validity of the remaining provisions hereof.
- e. All notices required pursuant to the terms hereof may be sent by first class United States Mail, facsimile transmission, hand delivery, electronic mail, or express mail and will be deemed to have been received by the end of five (5) business days from the proper sending thereof unless proof of prior actual receipt is provided. The **MAINTAINING AGENCY** must notify the local District of **FDOT** of the appropriate persons for notices to be sent pursuant to this Agreement. Unless otherwise notified in writing, notices must be sent to the following addresses:
