Unfinished Business

1. Discussion of Town Park playground project with Little Tykes representative

Board discussion regarding new playground design submission from Little Tykes. Board agreement that new design/equipment meets needs of 5–12-year-old target group for playground. Kristine Frost answered Board questions regarding delivery (possible 24 weeks), installation time frame (approximately 30 days), staging (no demo to occur until delivery of playground equipment), warranty (turf=10yrs., posts=100yrs., rope=5yrs.), turf base materials (4in. of crushed rock, 2in. of synthetic padding), and potential relocation of current “Maypole” toy. Mayor Will approached the Board and stated that the Town of Redington Beach would bring in infill materials and grade the playground site to required height for proper drainage allowing the Park Board to focus on playground components and turf.
