UNFINISHED BUSINESS

- A. **Discussion of Ordinance 2022-05 Residents Only Parking Areas:** Mayor Will begin the discussion with prioritizing Beach Parking for Residents, who should be allowed a sticker and the application process. Commissioner Murray suggested that if you own a home, two stickers should be given to the resident. Commissioner Skjoldager noted on page 2 (b) (3), that the last line should be eliminated which states that no more than two permits may be issued for residents. Vice Mayor Kornijtschuk thought the changes were great and that the ordinance is ready to go.

Resident, Annette Gelbrich, 510 161st Avenue asked about rental cars and asked if the name Redington Beach could be not included in the sticker.

Commissioner Cariello noted that the fines should be raised to \$100.00 for first offence and \$200.00 for the second offence. Commissioner Cariello also noted that in 2018 when the ordinance was changed, it originally included 2nd and 3rd Street for resident parking only. He showed a map that was color coded to what is in effect now and what he is proposing.

Linda Soileau, 16107 Guld Blvd, noted that the Sheriff's Office doesn't care if there are people parked illegally. She also noted that if you live on Gulf Blvd and need parking for guests, there isn't room in most driveways. She suggested additional parking on the two islands and allow for visitor parking on 1st, 2nd, and 3rd Streets. She also noted that the town needs to educate the residents on where they are allowed to park.

Nick Kordas, 32 160th Avenue noted that the asphalt in front of his house is private parking and the deputies were called out for the illegal parking. He noted that the is in favor of enhancing the no parking on 1st, 2nd, and 3rd Streets.

Chuck Goldstein, 16208 3rd Street stated he was at the Beach Park over the weekend and only two cars had resident stickers on them, the rest were either laminated on in plastic bags. He also noted that there will be a wedding on July 9th and asked where his guests could park. Mayor Will noted that parking is allowed on the even side of the streets. Commissioner Murray suggested hiring a shuttle to get people to and from the party.

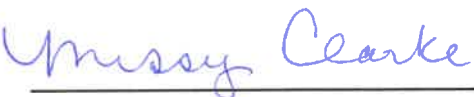

The consensus of the commission was to include 2nd and 3rd Streets as resident parking only. The commission also agreed to move forward with the ordinance to Wednesday's meeting for final reading with the suggested changes.

Sal Licciardi, 16330 Gulf Blvd asked if Town Park was considered public parking or if this would be resident parking only.

Attorney Eschenfelder noted that an ordinance would need to be done on section 21-31 which is the fee schedule to make sure the fees coincide in the ordinances.

With no further business, a motion was made by Vice Mayor Kornijtschuk and seconded by Commissioner Cariello to adjourn. Regular meeting was adjourned at 6:12 p.m.

Adopted: May 4, 2022
