CONSENT AGENDA

- A. Board Regular Meeting Minutes, May 4, 2002**
- B. Bill list ending for Day ending May 13, 2022**

A motion by Vice Mayor Kornijtschuk and seconded by Commissioner Cariello to approve the consent agenda as presented. No discussion, no public comment. Motion passed unanimously.

UNFINISHED BUSINESS

- A. Proposal for Deuel & Associates:** Mayor Will stated that this is to have the beach surveyed from 155th Avenue to 164th Avenue for the deputies to have a definitive line of where the owner's property is and where the beach starts. Attorney Eschenfelder noted that this is above the town's purchasing policy, and effort was made to get three bids, but this was the only bid that the town was able to receive. Commissioner Murray noted that this seems to be in line with what a survey would cost for an individual home. Vice Mayor Kornijtschuk asked if they would be physically going to the beach or using satellite images. The town attorney confirmed that they would be using a combination of satellite images as well as physically going to the beach.

Liz Schmidt, 15812 Gulf Blvd asked what the cost of the project is and also asked if they will be coming onto her property. Attorney Eschenfelder noted that per Florida Statute, surveyors are allowed to come onto the property. Ms. Schmidt asked if they will be notified prior to them coming onto the property. Commissioner Murray stated that the town should publish when the surveyors will be starting the work.

Shawn Buending, 15808 Gulf Blvd, asked who is going to verify the survey.

A motion by Vice Mayor Kornijtschuk and seconded by Commissioner Cariello to accept the bid from Deuel and Associates not to exceed \$6,500.00. Motion passed with all ayes by Roll Call Vote.

Other Business

Commissioner Murray had a question on the valve installation and the water in the streets this last week with the high tide. Commissioner Cariello said he is working with Aqua-Nautic and ten of the fifteen valves have been installed but they are not yet completed and that they need to be sealed. Commissioner Murray also stated that a maintenance program will need to be put in place for the project.

Mayor will reported that the town had went out to bid for the swales and the bid came in at \$10,500 from Errol Ayuso and he has increased the bid by \$2,000.00. Attorney Eschenfelder explained why the commission can still take this bid as the bid is still under the other bids received. The consensus of the commission is to approve the \$2,000.00 increase in the bid. Mayor Will noted that Errol Ayuso is ready to start the project.

Mayor Will also reported that the article in the Beach Beacon last week was inaccurate and misleading. He noted that he spoke with the reporter and encouraged him to attend the meetings in person. The paper stated they were going to have a retraction but has not seen one at this time.

Shawn Buending, 15808 Gulf Blvd, spoke on dogs on the beach, policing of dogs on the beach, a flying parachute with a motor landing on the beach, boats docking on the beach, non-residents signs at the beach accesses and fireworks on the 4th of July.

Wendy Fields, 15810 Gulf Blvd, spoke on putting up signs at the beach accesses that no fire works are allowed.

With no further business, a motion was made by Vice Mayor Kornijtschuk and seconded by Commissioner Cariello to adjourn. Regular meeting was adjourned at 7:15 p.m.

Adopted: June 1, 2022
