UNFINISHED BUSINESS

- a. Swales – Building Official Bruce Copper reviewed the surveys done on the swales on the Town. He was pleased with the details of the report. The next step in the project is finding a company to give an estimate on the costs involved to restore the swales on 4th St. E, since it is the only area on the “fingers” with swales. Attorney Eschenfelder confirmed that providing him with a rough cost estimate would drive the method of procurement. The Commissioners agreed that the project should move forward. Tim Thompson 205 162nd Avenue requested an electronic copy of the survey report as did the Commissioners.

NEW BUSINESS:

- a. Beach Accesses – Mayor Will explained that three beach access “boardwalks” are in disrepair and need to be replaced. The Commissioners agreed to remove and replace the existing three access. Ellen Harvey 16104 4th St E agreed that the existing boardwalks should be replaced. Attorney Eschenfelder requested a scope of service be submitted to him, so he could move forward with the RFP.
