**Camile Menendez, 16208 1<sup>st</sup> St E**, expressed concerns about safety. She noted that the abandoned houses in the area present significant health and safety concerns, specifically regarding pools with stagnant water and structures containing mold.

**Leslie Wilkins, 505 161<sup>st</sup> Avenue**, reported that the Planning Board is meeting on Wednesday, January 21<sup>st</sup>, 2026. One issue they will discuss is raising the building height to 35 feet to allow for higher garage floors.

**B. Town Hall Roof Replacement** – Mayor Will explained that the town hall roof needs to be replaced. Staff gathered estimates from 3 companies to replace the roof with shingles and 3 companies to replace it with metal. Commissioner Kornijschuk reported that the funds are already budgeted for the roof. He also noted that he prefers Burke Roofing for a metal roof and Drew Roofing for a shingle roof.

Commissioner Murray questioned whether the expense of a metal roof is worth the higher price. Vice Mayor Thompson agreed with Commissioner Murray that a metal roof isn't worth the additional expense. He also noted that he has used Old Time roofing and found their work to be acceptable. Commissioner Cariello noted that he, too, has used Old Time roofing with satisfaction and prefers a shingle roof.

**Leslie Wilkins, 505 161<sup>st</sup> Ave** asked if the property insurance would be affected if the Town got a metal roof versus a shingle roof. Commissioner Kornijschuk noted that if the difference is significant it would be worth exploring.

**Steve Smith 16217 Redington Drive**, noted that perhaps the town could request a 10 year warranty on workmanship from Old Time, similar to the higher estimate of Drew Roofing.

**Greg Unger, 15829 Redington Drive**, stated that his new shingle roof survived the winds of Hurricane Milton and doesn't think a metal roof is worth the additional expense.

Motion by Commissioner Murray to contact Old Time Roofing, request a 10 year warranty on workmanship, and if not, to use Drew Roofing for a shingle roof. Second by Commissioner Cariello. Motion carried unanimously.
