

Town of Rusk — Rusk County, Wisconsin

MINUTES

SPECIAL MEETING OF THE BOARD of SUPERVISORS

Wednesday, September 10, 2025

1. *Called to order at 11 a.m. Meeting held on County Line Road (aka 30th St.), 1/3 mile S of 12th Ave.
Roll Call: Dobrowolski, Styczynski, Zmrazek; with invited guests Leah Nicol and Justin Livingston.*
2. *Consult with Leah Nicol, the DNR liaison for roads re: replacing low-rated culverts at this location.
Leah's recommendation is that we replace all three culverts in this location, aligning one on the main channel and the others as flankers, to handle overflow situations. All three replacement culverts should be 7-foot wide by 4-foot tall squash tubes, nothing smaller. She will issue further specs when we see the DNR permit, which is good for 5 yrs.*
3. *Obtain approximate price estimate from Justin Livingston, Interim County Highway Commissioner.
County Culvert Aid for 2026 has been secured for us, pending Town of Rusk submitting the paperwork. Also, the County Hwy. Dept. has first option on doing the work. If County Hwy. declined, Town would bid it out.*
4. *Vote on doing this job, contingent on acceptance for County Culvert Aid.
No Action Taken, as a price was not yet available.*
5. *Future Agenda Items.*
 - *Vote on doing this job*
6. *Adjournment*

Motion by Steve S. / Steve Z. to adjourn at 11:52 a.m. – Carried
