

TOWN OF SCHLEY
CULVERT ORDINANCE # 2

An ordinance establishing rules and regulations for the installing of culverts.

The Town Board of the Town of Schley, Lincoln County Wisconsin; do hereby find, determine and ordain; than in order to promote the public safety, general welfare and convenience, it is necessary that certain requirements be established and followed in the installation of culverts in the Town of Schley.

It is not intended by this ordinance to repeal, abrogate, annul, or interfere with any existing rules regarding culverts.

Any culverts necessary for proper drainage shall be provided by individual and installed after elevation and location is obtained from the Town Board. the minimum length of any culvert installed shall be 24 feet in length, however, the diameter and length of said culvert will be subject to approval of Board, after amount of flowage is determined. The culvert shall not be of plastic material.

Where any section or part of section of this ordinance is amended, voided or superseded thereby, the remaing sections not so specifically amended or voided or superseded shall remain in effect.

Passed by the Town Board
of Schley, Lincoln Co.
