August 24, 2023

Dear Resident;

The Town of Scott has contracted with Fahrner Asphalt Sealers to seal Church Road with a process called 'Microsurfacing'.

All residents that live on Church Road will be receiving a notice on their doors with details of the process and the schedule.

During the resurfacing there will be lane closures but Church Road will remain open for local residents and to get to the golf course. We ask that everyone be respectful of the road crews and to be careful when driving on the road, so as not to drive on the new tarred surface.

The process will begin on Saturday, August 26th and will be completed on Monday, August 28th, weather permitting. There will be no road work at night or on Sunday.

Sorry for the inconvenience and thank you for your understanding,

Sincerely,

David P. Cerny
Economic Development Coordinator
Town of Scott, Brown Co. WI
