Reports

\* Supervisors Report Dave went to Towns Association meeting and learned equal to or more than previous years allocated funds need to be spent on fire and EMS to keep shared revenue money. Dave got BOR certification. Local roads funds must be class B roads with weight limits. Work would remove weight limits. Regarding the 60 to 20 foot small bridge program. All towns must do an inventory (no penalty). Phase 1 is to inventory culverts. Can do yourself or hire a consultant. Supervisors decided we should hire the consultant since it is no cost to the town. Phase 2 Cost analysis. April 29th a three day town road school is being offered..

\* Chairman's Report

\* Other Reports

Audience Communication Dave Hoff said there's a lot of potholes and loose gravel on Bernstein Rd . Previously there was a sign. We needs a new loose gravel sign.

Jeremy Manley said the cell tower on Hafeman does not have a tracking pad and fence around it which are requirements. He asked if our building inspector was responsible.

Board said our town had decided to have the state cover large commercial inspections Dela will contact Kevin about this.

Bessie would like to build a church on the lot where the cemetery is on Stephen Rd.

Board told her to start with the Planning and Zoning Commission.
