Old Business

DPW/Roads The bridge on Potter Rd. had to have a special inspection. It will eventually be paid at least in part by a grant. Bridge inspection charge of \$4500 is twice on the bill. Question is it two separate charges or duplicate? It appears to be two inspections. No news on when our town roadwork will start.

County T is finally done.

Review draft ATV Ordinance Dave talked to town's association about ATV rules. Under age 18 must have approved helmet. These are not made for small children. Originally all the rules were intended to help people access trails mostly in northern Wisconsin. Dave and Dela will work on cleaning the ordinance and sending it back to the attorney.
