**Resolution 2025-02 – Capital Improvement Plan**

Whereas, the Town Board of the Town of St. Joseph, needs to be prepared for ongoing infrastructure needs of the Town,

Whereas, this inventory of current assets and future planned purchases is necessary for financial planning;

Whereas, this plan will help future boards to manage capital improvements in the long run;

Whereas, this plan will provide a blueprint for the future needs in the Town as maintenance is much cheaper than replacement over the long term;

Now Therefore Let It Be Resolved by the Town of St. Joseph Town Board meeting in regular session that this Capital Improvement Plan will be implemented:

1. The Town Board will use this plan for making future decisions regarding maintenance and replacement of infrastructure for the Town.

4. This Capital Improvement Plan is a flexible document that allows the board to amend or change it as needed but also provides a path forward so that future boards are able to plan appropriately.

I hereby certify that the foregoing RESOLUTION was duly adopted by roll call vote of the Town Board of the Town of St. Joseph at a legal meeting held on the 9th day of October, 2025.
