

Listening Session

August 16, 2011

On August 16th at 5:30 p.m. the Three Lakes Town Board of Supervisors will conduct a listening session on 2012 Road Construction Projects. Citizen participation is highly encouraged, especially seasonal residents and landowners before they leave for the year.

The purpose of this session is to get citizen input on what roads and projects they think the Town needs to consider for the 2012 construction season and beyond.

Listening sessions are not regular meetings of the Town Board. Although a quorum of Supervisors may be present, no action of the Board will be undertaken. The purpose of the session is to allow open interaction between the Supervisors, citizens and landowners.

Those attending will have the chance to fully express any opinions they may have on the topic of road construction. You may submit written comments if you cannot attend.

For those that may have more questions or require special needs in order to attend, please contact the Town Office at: 715-546-3316
