RICE LAKE ROAD RE-OPENS TO VEHICULAR TRAFFIC

As of Friday, December 2, 2011 Rice Lake Road in the Town of Three Lakes has re-opened. Reconstruction on the road up to Thunder Ditch is complete, and it has sufficiently firmed up and stabilized to allow for vehicular traffic.

Please be advised this is an on-going process. Due to the severe damage from 2010, the road may be opened or closed at short notice. The safety of all those travelling on the road is the deciding factor on openings/closures.
