## **TOWN HALL**

The lighting project is done and came in under the original quote. The lights are motion censored and come on at 75%. You are able to turn them up or down. There are still some adjustments being made to the censors.

The heaters in the fire department were not working. Manitowoc Heating came out to look at them and determined the valve was sticking on one and the other had a bad bearing. We will need to budget to get new heaters because the parts are obsolete.

Tom Sprang has not heard any more about cybersecurity but will follow up.

Bret Koehler informed the board that the pressure washer is having issues. The board approved him contacting Hydroclean to have it looked at.

## **CONSTABLE REPORT**

None.

## **EMERGENCY SERVICES**

Bill went to the last Mishicot Area Ambulance Service meeting. Mark Leichtfuss is now president. The scheduling has improved significantly.

## **LENGTH OF SERVICE AWARD**

A motion to match the State contribution to the Length of Service Award for the fire department for a total contribution of \$11,809.03 was made by Bill Schwerma, seconded by Roger Sinkula. Motion carried by voice vote.

## **ROADS**

### **NERO ROAD AND NUCLEAR ROAD UPDATE**

We have transferred our focus to Nero Road for completion in 2026.

Ryan gave an update on Nero Road. They are looking to bid out in March and award in April. They are making preliminary plans and working through wetland exemptions. They still need to go out and review the cross-culverts. 5 are listed in the grant application but some may possibly be saved. This is for the ARIP program which is 90/10.

Ryan gave an update on Nuclear Road. They are finishing up plans and are close to applying for DNR permitting. DNR permits are good for 3 years so they will move forward on that.

The plan is to bid out Nuclear Road right after they bid out Nero Road. Discussion held.

\$2000 was taken off the price of the new 2026 chassis if we pay now. Discussion held about our current snow plow.

## **TRANSFER STATION /RECYCLING CENTER**

Tom has spoken with Radandt about issues we have been having with the haulers. He is going to reach out to get prices from GFL.

Effective 2026 the split will be 65% Town of Mishicot and 35% Town of Two Creeks.

The billing for 2025 will still be the 60/40 split.

### **LAND USE/ZONING COMMITTEE**

There is a Public Hearing on January 26, 2026 at 4:00 p.m. regarding the Christine Schadrie rezone request from LE to RR. Roger Sinkula said he would attend the meeting. The board is ok with the change as long as it is within the county guidelines.

Ed Kakes has had further discussion with Tom. He will be requesting a culvert/driveway in early Spring.

### **COUNTY BOARD REPRESENTATIVE – GENERAL INFO**

None.

### **CHECKS**

After reviewing the checks for payment, a motion to pay the bills was made by Roger Sinkula, seconded by Bill Schwerma. Motion carried by voice vote.

### **BUILDING INSPECTOR UPDATE**
