## Volunteer of the Month.....

### **BILL ROBL**

Bill started volunteering again at the center in 2011 after retiring from his own construction business of 35 years. Bill was one of the original board members when the founders purchased the building from the school district in the late 70's.

Bill resides in Pickett with his wife Rose and enjoys hunting and fishing on his free time as well as being a snowbird to Florida from January to March.

The Community Center greatly appreciates Bill's skills and volunteer hours he puts in. These photos show just some of the major projects of his craftsmanship and generosity.
