- A) Town Board Meeting—November 11, 2013; 7:30pm at the Utica Town Hall
- B) Budget Public Hearing—November 18, 2013; 7:30pm at the Utica Town Hall
- C) Single-stream containers coming soon! The Town Board approved a new contract with Advanced Disposal to move to single-stream recycling to help cut cost. You will get a new container to put your recycling in. We will still use the same garbage container. The green rectangle bins we use now will not be used when the new container are delivered, so you can do as you please with those rectangle bins. It will take some time to order the bins and have them delivered so continue to do as you currently are until you get the new container. Recycling will then be picked up every-other week. We will share the recycling calendar when we are given one to help you know the weeks to put the recycling bins at the end of your driveway. Any question, call one to the Town Board members, Chairman Len Schmick 850-0758, Supervisor Chuck Khurt 589-5033 or Supervisor Donavon Bradley 589-6854.

You can view this website to listen to a video on how this recycling program works: [http://www.youtube.com/watch?v=J\\_RWqgXcP\\_k](http://www.youtube.com/watch?v=J_RWqgXcP_k)  
 Single Stream recycling refers to a system in which ALL paper fibers, plastics, metals, and other containers are mixed in a collection truck, instead of being sorted by the depositor into separate commodities.

What would you want done for healthcare treatments and procedures if you were unable to tell your doctors and staff? What do you NOT want done? Would your family know? Do your doctors know?

Do you have a Power of Attorney for **Healthcare**? This is the preferred legal form in Wisconsin. On this form you appoint someone you trust to make medical choices for you when you are unable to do so. Wisconsin also honors 5 Wishes forms. A Living Will only tells end-of-life choices.

Come prepared with these answers: Who do you trust to make healthcare decisions for you? Who will follow your wishes? Who is willing to take on this responsibility for you? Who is good at making decisions and can be strong when needed? What is important to you for your healthcare? Do you have any religious concerns?

Learn more about your options for future healthcare planning and why having a Power of Attorney for Healthcare is so important at **free** sessions on **Thursday, November 14th 8 am -11 am and 6 pm to 6:30 pm at the Community Center** with extra time after the program for questions and getting the Power of Attorney form done if you are ready

Sally Marohn, Nurse Practitioner for Community Health Network and Patsy Beck, Social Worker for Affinity Health System both live in Utica and are Advance Healthcare Planning facilitators. Call for reservations for planning purposes PLEASE> 589-6111.
