Give your dog exercise!

Take your dog to Bristol's Dog Park

Located on the South West corner of 81st Street and 195th Avenue, the 2.5 acre, fenced in area provides you and your dog a safe place to play and run. There are rules posted for the Dog Park-please be courteous and follow them so others can enjoy time with their dog too. The Dog Park is free for Bristol residents and as long as the rules are followed on an honor system. If these rules are violated the Dog Park may be closed. So please help monitor each other so the park can be kept open.

If you haven't already done so you will need to register your dog at the Village Office. You will need your dog's current rabies vaccination papers.

Dogs need regular exercise to ensure continuing good health.

Take your dog for walks, run around in the yard, throw a ball around - anything to get him up and moving. This will benefit his health and keep him happy.

Respect Others, Be Respected

This may seem like common sense to some of us, but there are still dog owners out there who do not "get" it. Please help give dog owners a good name by following these rules:

- Keep your dog on a leash or in a fenced-in yard when outdoors. Even if you have agricultural land, you should supervise him at all times. Do not let him wander the neighborhood or get out of your sight.
- Do not leave a barking dog outdoors. Continuous barking is not only unfair to your dog, it is rude and annoying to neighbors.
- Pick up after your dog. No one wants to step in or smell that "gift" your dog left behind.

Possible TID District Coming to Bristol

The Village Board has approved a preliminary financial memorandum of understanding with the Janko Group in regards to a possible Tax Increment District (TID) for the area northwest of Hwy U and Hwy Q. This area is about 150 acres and the financial costs for utilities and road improvements would be the developer's responsibility. The Village has agreed to set up a TID to allow future taxes to pay back the Developer for the costs associated with utilities and roads to get the development up and running. There would be little or no cost to the taxpayers of Bristol. The TID would be planned for 20 years and could be expanded up to 4 times in the future under state laws. The developer would still be required to go before the Planning Commission and Village Board with site plans, rezoning, and land divisions. The land use plan for that area is Business Park and Professional Office. The developer is planning for corporate businesses that are trying to locate in the area. These corporate businesses are looking to bring everything under one roof; that may include office, manufacturing, research and development, and distribution. This area is in the sewer service area and was planned for sewer since 1997. Bristol is currently working with Pleasant Prairie in regards to water for the area. In an attempt to best serve the residents of the Village, the Village Board carefully considers how all its decisions will affect the residents.

Bristol Farmer's Market 2016

21010 75th St
Bristol, WI 53104

The Bristol Fire Department and Bristol Volunteer Firemen's Association are very excited to announce the unveiling and dedication of the Bristol Firefighters' Memorial to be held on **Sunday, July 10th at 9:00 AM** at the Bristol Fire Station (8312 198th Avenue).

The Memorial was developed in cooperation with The Bristol Group to commemorate the bravery, courage, honor and valor of Bristol firefighters past, present and future as a means of honoring the men and women who have served our community over the past 117 years. It consists of a walkway with a paver path to the front door of the fire station, a patio with sitting walls, and a landscape area featuring the Department's fire bell, which dates back to the Department's founding in 1899.

In the future, pavers forming the walkway will be available for members or members' families to purchase for stamping to memorialize those members who served 10 years or more. Additional information regarding future plans will be announced at the dedication ceremony.

All current and past Bristol Fire Department members, their families and community members are invited to join us before the Bristol Progress Days festivities continue Sunday morning. Please meet in front of the fire station entrance door on 198th Avenue shortly before 9:00 AM, and please contact Chief John Niederer with any questions related to this project or the dedication ceremony.

Working around the yard?
Free Mulch Available

Stop down by the Public Work facility and pick up as much as you need to finish off some landscaping work you're doing.

Bristol Wisconsin Historical Society

Bringing the Past to the Present

The Bristol Wisconsin Historical Society Inc. was founded in 2015. The Society is a non-profit 501(c)(3) organization serving the community with educational and historical information about the local area. Our main objectives are:

- Save the original Bristol Town Hall built in 1870 for a museum and hall.
- Collect, preserve, and display local artifacts for the community.
- Teach school children hands-on local history.
- Educate the community, especially those who moved to the area from other areas and do not know the rich long history.
- Present the area with additional visibility.
- Recognize partners and sponsors.
- Rent the hall for other events like reunions, weddings, plays, holiday programs, 4H, HCE, scouts, etc.

The Bristol Wisconsin Historical Society Inc welcomes all people that want to be involved in a new historical society, to save the old historic town hall, educate the community, and preserve local history.
