## *Bristol Wisconsin Historical Society*

*Bringing the Past to the Present*

### **You're invited to the Bristol Wisconsin Historical Society Groundbreaking ceremony!**

The Bristol Wisconsin Historical Society is moving and restoring the original Bristol Town Hall building to 8323 198<sup>th</sup> Ave in Fireman's Park. It will be restored into a museum and open to the public. **The Groundbreaking ceremony will take place at 1:00pm on Sunday April 15th at the new location site of 8323 198<sup>th</sup> Ave. in Bristol.** Refreshments will be served.

Opportunities for sponsorship of the three mile route the building will be moved are available. For sponsorship information please contact Jill Gillmore at (262)960-9145, Ed Gillmore at (262)206-0566 or Margaret McCabe at (262)857-9115.

Specifics regarding the move will be posted on the BWHS Facebook page (<https://www.facebook.com/Bristolwisconsinhistoricalsociety>) to keep everyone informed. The route is Hwy C west to Hwy 45, Hwy 45 north to 84th St., 84th St. east to 198<sup>th</sup> Ave, 198<sup>th</sup> Ave north to the park entrance. The move is tentatively scheduled for the week of Monday April 16<sup>th</sup>.

### **History of the original Bristol Town Hall**

In 1869 the people of Bristol started building their first town hall. On October 15, 1869 the land where the building is located was given to the township for one peppercorn and one dollar. In legal parlance, a peppercorn is a metaphor for a very small payment, a nominal consideration, used to satisfy the requirements for the creation of a legal contract. The Building was completed one year later in 1870. The building was built in the geographical center of Bristol as it was in 1869. The land is now part of the Kenosha County Bristol Woods Park. The building is being used as a storage shed and the only access for the public is a 15 minute walk using a path from the Pringle Center.

**Join us in our efforts to save and restore the building!**

# Local Business Spotlight

## **Bristol BP Gas Station**

**20015 93<sup>rd</sup> St**

**Bristol, WI 53104**

**262-857-7022**

**[goldenoilcompany.com](http://goldenoilcompany.com)**

**Open daily 5am-10pm**

Golden Oil, a locally owned and operated company, purchased the gas station located on the southeast corner of County Highway C and Highway 45 in September of 2016. The entire interior was completely remodeled by relocating the front counter, adding a Subway restaurant, and replacing gasoline pumps, along with the canopies. The outer walls are the only remaining original pieces of the building.

Golden Oil is a wholesale jobber for the gas station at this location and other locations throughout the State of Wisconsin. When the location became available, they took the opportunity to purchase it.

Not only does Bristol BP carry a wide array of convenience store items, they also offer freshly made Hunt Brothers Pizza. All pizzas are \$9.99, no matter how many toppings are used. Pizza can be ordered while you wait, or you can call ahead for pick up. They also have a very popular breakfast pizza.

On the north side of the gas station, you'll find the Subway restaurant, which includes a drive-thru window. Subway's hours of operation are 7am-10pm.

Bristol BP is excited to be adding race fuel in the next couple of months!

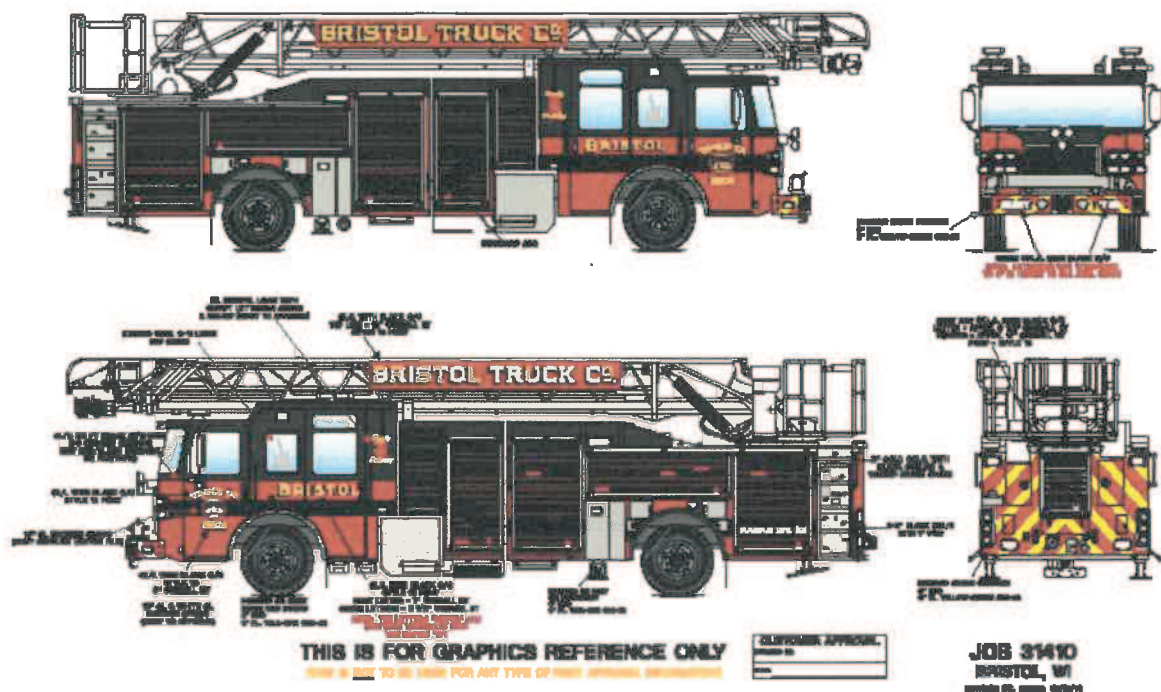

Stop in and check out the newly remodeled convenience store and gas station!

---

# Fire Department—New Ladder Truck

## Expected Delivery Date is April, 2018!

Construction of the new Truck 5231 at Pierce Manufacturing in Appleton, WI has progressed quickly over the past nine weeks with the Department's Apparatus Committee now scheduled to complete its second inspection of the apparatus Thursday, March 22nd. Reliant Fire Apparatus, the regional Pierce dealer, has provided weekly photo reports depicting the apparatus in the various stages of the extensive fabrication process. The apparatus is now largely assembled with the engine, fire pump, water/foam tanks, cab and body having been fitted to the complete chassis, and the aerial ladder device is expected to be installed in early to mid April. The Department anticipates final inspection of the new apparatus in late April with delivery immediately following. Training of qualified apparatus driver/operators and the installation of equipment into the new apparatus will take place for approximately six weeks after the new Truck 5231 is delivered, and a formal ceremony placing the apparatus into service will be scheduled. Please watch the Department's Facebook page and this newsletter for additional announcements.

# Volunteer Opportunities

## Get Involved —

The Village Board is always looking for volunteers for any of the Boards and Commissions listed below. In addition, the Fire Department is always looking for community members who want to volunteer.

Please send a letter to the Village Municipal Clerk, Amy Klemko regarding which Committee or Board you may want to serve on. You can also call or stop by the Village Hall if you are interested in giving back to the community!

Village Planning Commission—meets on the 4th Tuesday of each month.

Village Zoning Board of Appeals—meets the 2nd Wednesday of each month.

Village Parks & Recreation Board—meets as needed.

Community Development Authority—meets as needed.

# **VILLAGE ORDINANCE**

## **Junk Vehicles**

### **Sec. 11-6-3 ( P)**

#### **Unlicensed or Unregistered Vehicle Area.**

Any place in the Village on private property where for a period prescribed in Section 10-5-8 an “unlicensed” or “unregistered” vehicle is parked, stored, or otherwise kept outside a building without the written permission of the Village Board or designee that is not timely removed or discontinued within the Village designated compliance time of receipt of written notice to remove from the Village Board, or designee, unless applicable exemptions apply.

**THE PUBLIC IS INVITED TO PARTICIPATE!**

**The Village of Bristol will be celebrating Arbor Day by planting trees at the Dog Park which is located at the Southwest corner of 195th Avenue and 81st Street.**

**This event will be held on Saturday,  
April 28th at 10:00 am**

### Frequently-Asked Questions

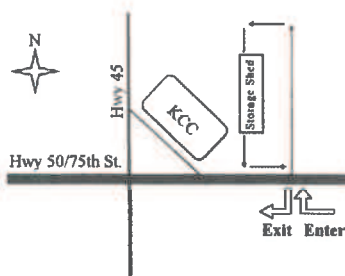

#### Why can't I bring latex paint?

Latex paint is not considered to be a hazardous material. As such, it can be disposed of through paint swaps, donation or by putting it in the trash.

The recommended method for trash disposal is to put kitty litter in a box, spread the paint over the litter and allow to dry, then dispose of it with your garbage. There are also paint hardeners that can be purchased at a hardware store.

#### Where is the Public Works Garage?

The driveway for the Kenosha County Public Works Garage is located on Hwy. 50 (75th St.), on the north side of the road (east of the driveway to the main entrance for the Kenosha County Center.) There will be signs on Hwy. 50 directing you.
