Letter from the Office...

Greetings Homeowners!

Can you believe it's August already? And you know what that means, it's "Fair" season in Wisconsin. The month of August affords everyone the opportunity to enjoy the wide variety of events and entertainment offered at both the Wisconsin State Fair and the Kenosha County Fair.

The Wisconsin State Fair is open from August 6 – August 16 and features an entertainment schedule that has something for everyone. From the retro sound of Davy Jones to the youthful beat of Disney's Demi Lovato (and just about everything in between) you are sure to find something that will tickle your ears. And, for those of you who don't enjoy the concert vibe, you can take in the Celebrity Cream Puff Eating Contest. Check out the schedule at www.wistatefair.com.

In addition to the musical entertainment offered by the Fair, you can also enjoy a wide variety of agricultural and horticultural competitions and exhibits.

While there you can also take-in a livestock auction – just for fun.

Then, just when you think the Fair fun is over, the Kenosha County Fair kicks-off on August 19. At the County Fair, you can enjoy everything from a Dog Show to a Pie Contest to a Tractor Pull to a Farm Combine Demo Derby. In addition to all of that, there is also musical entertainment to cap-off the festivities. Find out more at www.kenoshacofair.com.

Take some time to visit the Fairs and remember a simpler more innocent time when pies and pigs were prized. It's one of the things that make Wisconsin special. You'll be glad you did.

The Rainbow Lake Manor emergency number is 888-462-5033. This number should be used for emergencies only. If the nature of your call is not an emergency, please call the office at 262-857-2891 and leave a message or stop by during regular business hours. All messages will be returned within 24 hours.

Friendly Reminders

At the request of our residents, following are a few friendly reminders from your good neighbors:

FISHING

We are blessed to have such a beautiful lake and doubly blessed that it is fully stocked. So, it's up to us to remember that fishing in the lake is Catch and Release only and is reserved for residents and their guests.

BIKES

Who doesn't love to get on their trusty old Schwinn and pedal like a mad man...feeling the wind in your face and enjoying the adrenaline rush. Please make sure to remember, if you wish to share this experience with your guests, please accompany them on the adventure. It's more fun and it's a great way to show off your biking prowess to your neighbors.

Finally, please, please, please don't feed the geese. While you may be tempted to experience nature first hand, feeding the geese may leave you with a sore hand and angry goose. They are not pets and they tend to be aggressive. If one of us gives them food, they expect everyone to give them food...when no food comes their way...they get really mad. And, if you have ever seen a mad goose, you know that you don't want to be within "pecking" range.
