## Notice of Rate Increase Water Customers of the Bristol Water Utility

This is to give you notice that the Bristol Water Utility will file an application on August 25, 2023, with the Public Service Commission of Wisconsin (PSC), for authority to increase water rates. Rates for general service will increase 8.0 percent. The increase is necessary to reduce the existing deficiency in present rates. The request is being made under Wis. Stat. 196.193. Rate increases granted under this statute do not require a public hearing. The effect of the increase for some selected customers is shown below. Public Fire Protection and Wholesale rates (if applicable) will also increase 8.0 percent.

Customer Classification	Meter Size	Gallons	Existing Quarterly Rate	Revised Quarterly Rate
Average Residential	3/4	12,000	\$81.94	\$88.54
Large Residential	3/4	18,500	\$103.59	\$111.94
Commercial	1	58,000	\$258.15	\$278.95
Industrial	4	860,000	\$3,034.57	\$3,279.45
Multifamily	2	91,500	\$511.67	\$552.81

Bristol Water Utility anticipates that this rate increase will go into effect on November 1, 2023. If you have any questions about the rate increase request, call the Bristol Water Utility at 262-857-2368.

***Rate increase to begin on the 1<sup>st</sup> Qtr 2024 billing cycle.***

## ***Congratulations Kris Kordecki!***

Jill Gilmore was present on behalf of Marleigh's Ministries to present a Golden Presidential Award to Trustee Kristine Kordecki stating that this award honors individuals that service and positively impact communities in every corner of the nation and inspires all of them to take action too. Ms. Gilmore indicated that Trustee Kordecki has selflessly given herself to this community time and time again. She volunteers her time regularly with Marleigh's Ministries, Bristol Recreation, Paris PTO and Paris school. She further stated that Trustee Kordecki is a wife and mother to two wonderful sons who is able to find time to serve this community in each of these organizations and expecting nothing in return. Ms. Gilmore stated that Trustee Kordecki is one of the most dedicated individuals she has ever had the pleasure to know and grow to love. Ms. Gilmore asked all to congratulate Trustee Kordecki on this much deserved recognition and honor for receiving one of the highest volunteer awards in this country.

## MEDIA RELEASE

**DATE:** October 13<sup>th</sup>, 2023  
**EVENT:** MDMA Counterfeit Pills  
**LOCATION:** Kenosha County  
**RELEASED BY:** Sgt. Colin Coultrip - Public Information Officer

Kenosha County Sheriff David W. Zoerner is again warning of the dangers of using illicit street drugs, following new reports of substances being laced with other drugs, unbeknownst to the user.

At a recent meeting of the Kenosha County Substance Abuse Coalition, members reported an uptick of MDMA — known widely as ecstasy or Molly — turning up on toxicology reports in the Medical Examiner's Office and in the urine analysis of users in treatment with local providers.

Some of these individuals report the purchase of counterfeit prescriptions though report never purchasing or using MDMA, Zoerner said.

At the same time, Zoerner said, the Kenosha Drug Operations Group is seeing an increase in local seizures of counterfeit pills containing multiple substances when tested, as well as an increase in the seizure of equipment used to manufacture counterfeit medication.

"A few years back we warned that counterfeit Xanax was being laced with fentanyl," Zoerner said. "We then alerted the community that fentanyl is everywhere and is found in every type of illicit drug seized and field tested.

"Our next warning is, if you use street drugs of any type, you will not be ingesting what you believe you are purchasing. Just one pill can kill."

If you or someone you know is struggling with Substance Use, misuse or dependency please know that is help available and recovery is possible, Zoerner said.

The Kenosha County Behavioral Health Resource Center is available Monday-Friday at by phone at 262-746-8555, or you can walk in at 3536 52nd St. Resource Center staff are available to help determine the services available to start treatment. Available services include: Medication-assisted treatment, peer support specialists, outpatient therapy, social detox, crisis intervention, and assistance with accessing more intensive care through insurance.

### Upcoming Events:

Kenosha County Behavioral Health is partnering with the Kenosha County Sheriff's Department, the Kenosha Police Department, the Pleasant Prairie Police Department and Somers Fire & Rescue in hosting National Drug Take Back Day events from 10 a.m. to 2 p.m. Oct. 28 at these locations:

- Wisconsin Probation and Parole Office, 1212 60<sup>th</sup> St., Kenosha.
- Pleasant Prairie Police Department, 8600 Green Bay Road.
- Kenosha County Center, 19600 75<sup>th</sup> St., Bristol.
- Somers Fire & Rescue, 7511 12<sup>th</sup> St.

Each site will take prescription and over-the-counter medications, ointments, patches, inhalers, non-aerosol sprays, creams, vials and pet medications, as well as vape pens or other e-cigarette devices (batteries removed). Items not accepted are illegal drugs, needles/sharps, acids, aerosol cans, biohazardous materials, personal care products, household hazardous waste and mercury thermometers.

Staff will be onsite to provide Narcan and Narcan use training, fentanyl test strips, and material and education regarding Behavioral Health Services and programs.

### SIDEBAR: About the Kenosha County Substance Abuse Coalition:

Kenosha County Substance Abuse Coalition members include representatives of county human services divisions, treatment providers, the recovery community, law enforcement, local nonprofits, hospital staff, emergency medical services, and concerned citizens.

The mission of the Coalition is: To support networking among our member organizations and individuals, encourage education about alcohol and other drug abuse prevention, explore gaps in the community, and realize solutions to improve treatment and reduce alcohol and other drug abuse in our community. Our vision is to end substance misuse and overdoses in Kenosha County.

Kenosha County residents can learn more about local efforts and education by joining the coalition, which meets virtually every other month. To get onto the coalition email list, reach out to Kenosha County Behavioral Health Outreach Coordinator Lisa Koenen at [Lisa.Koenen@kenoshacounty.org](mailto:Lisa.Koenen@kenoshacounty.org).

The Kenosha County Opioid Settlement Committee, a separate body charged with developing recommendations for the use of the opioid settlement funds the county is receiving from pharmaceutical companies, will meet at 6:30 p.m. Oct. 24 at the Pleasant Prairie Village Hall, 9915 39<sup>th</sup> Ave. Citizens' comments are welcome at the beginning of each meeting.

The online store is now open and you can begin to place orders for the 2024 Kenosha County Annual tree and shrub sale. More information about the 2024 sale can be found on our website:

<https://www.kenoshacounty.org/713/County-Tree-Program>

All orders must be done online with credit card payment. Bareroot seedlings of trees and shrubs are sold on a first-come, first-served basis until the available supply is sold out. Those interested are encouraged to order as soon as possible.

Seedlings will be picked up by the customer at the Kenosha County Center at the intersection of Highways 45 and 50 in late-April; a specific date and the hours for pick-up will be sent via email to all who have placed an order approximately two weeks prior to the pick-up date.

Thanks for your support of our annual sale!

# 2023 Real Estate and Personal Property Tax

Real Estate and Personal Property Tax bills will be mailed out by December 20<sup>th</sup>, 2023. Copies may also be found on the Kenosha County Property Tax website at <https://www.kenoshacounty.org/963/Property-Taxes>.

## Christmas Tree Safety

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly.

### PICKING THE TREE

- Choose a tree with fresh, green needles that do not fall off when touched.

### PLACING THE TREE

- Before placing the tree in the stand, cut 2" from the base of the trunk.
- Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.
- Make sure the tree is not blocking an exit.
- Add water to the tree stand. Be sure to add water daily.

### LIGHTING THE TREE

- Use lights that are listed by a qualified testing laboratory. Some lights are only for indoor or outdoor use.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Never use lit candles to decorate the tree.
- Always turn off Christmas tree lights before leaving home or going to bed.

## After Christmas

Get rid of the tree after Christmas or when it is dry. Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home.

Check with your local community to find a recycling program.

Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.

## FACTS

- ! Almost one third of home Christmas tree fires are caused by electrical problems.
- ! Although Christmas tree fires are not common, when they do occur, they are more likely to be serious.
- ! A heat source too close to the tree causes more than **one in every five** of the fires.

## Addicted2Deals

**Addicted2Deals** was founded in 2020 by Cory and Jamie Maurer in an effort to help save families money on home improvement needs. The concept started with 1,500 sq ft and has grown to over 40,000 sq ft of product. Over 200 semi-loads of products are purchased annually giving customers a new experience every time that they shop.

They try to not only give our customers a great deal on every product they purchase, but they also separate themselves from the big box stores by providing exceptional customer service.

Addicted2Deals has always been a strong believer in “giving back” by supporting schools and non-profit organizations that help to make our community a better place to work and live in.

## Dog License Renewal Reminder

All dogs 6 months old and older are required to be registered with the Village of Bristol and Kenosha County. Registration helps locate lost dogs. To register and purchase your dog tags/license, bring your dog's most recent rabies vaccination report to the Village Hall building. License renewals are due by March 31<sup>st</sup> and are good for the calendar year.

### Fees:

Spayed or Neutered dogs = \$5 each

Intact dogs = \$11 each

Late fee for fees paid after March 31<sup>st</sup> = \$5

## Utilities – Public Works Update

## WIPES CLOG PIPES

### Don't Flush "Flushable" Wipes

Wipes of any type—even those labeled as "flushable"—do not break down like toilet paper and are responsible for clogging sewer systems all over the country, including ours.

**PLEASE DO NOT FLUSH WIPES  
DOWN YOUR TOILET!!!**

**Dispose of them in the trash.**

#### NEVER FLUSH THESE ITEMS DOWN A TOILET:

- Cotton products like cotton balls or swabs, and feminine hygiene products
- Diapers
- Dental floss
- Paper towels
- Medications
- Cat litter
- Baby wipes, adult hygiene wipes, or disposable cleaning cloths—that's right, even "flushable" wipes should not be flushed!

Many of these items do not dissolve at all (or they dissolve too slowly) and will clog pipes, pumps and drains!

**TRASH 'EM, DON'T FLUSH'EM!**

## FIGHT F.O.G. Fats Oil Grease

### DON'T POUR YOUR USED COOKING OILS DOWN THE DRAIN

Don't dispose of cooking grease down the sink, even by diluting it with hot water. Fats, Oils, and Grease (F.O.G.) harden as they cool, and stick to the walls of sewer pipes, causing costly clogs and overflows that spill into our environment. To help prevent sewer system overflows, just pour oil and grease into a jar or can, and when it is full, dispose of it in the trash.

#### HERE ARE SOME SIMPLE STEPS TO FOLLOW:

- Pour F.O.G. into a can (a coffee can, or other lidded, non-meltable container works well). CAUTION: Make sure the storage can is cool before handling.
- Secure a lid on the can and store it to be reused until full.
- When the can is full, place it in the trash.
- When there is F.O.G. residue in a pan or on a dish, wipe it with a paper towel before washing and throw that paper towel in the trash.
- Place a strainer in the kitchen sink drain to catch food scraps and other solids, then empty the strainer into the trash.
- For Homeowners with garbage disposals, follow the same rules above and restrict disposing of F.O.G. related foods through the garbage disposal.

**COOL IT CAN IT TRASH IT!**
