

Any city, town, village, or county government in New York State can take a stand by adopting the Climate Smart Communities pledge. Local governments may amend the preamble of the pledge below, but all ten points of the pledge must be adopted verbatim by the highest body of elected officials (e.g., town board or city council). The final resolution document must include a signature from the municipal clerk verifying the authenticity of the resolution and indicating the date of passage. Local governments should then designate a primary contact person to complete the online registration form and upload the resolution by following the steps at <https://climatesmart.ny.gov/actions-certification/getting-started/>. After the registration is reviewed, the community will be designated a Registered Climate Smart Community and be added to the online list. Join us!

Mayor Collopy moved and Trustee Contino seconded that

WHEREAS, the Village of Millbrook (hereinafter “local government”) believes that climate change poses a real and increasing threat to our local and global environments and is primarily due to the burning of fossil fuels; and

WHEREAS, the effects of climate change will endanger our infrastructure, economy and livelihoods; harm our farms, orchards, and ecological communities, including native fish and wildlife populations; spread invasive species and exotic diseases; reduce drinking water supplies and recreational opportunities; and pose health threats to our citizens; and

WHEREAS, we believe that our response to climate change provides us with an unprecedented opportunity to save money, and to build livable, energy-independent and secure communities, vibrant innovation economies, healthy and safe schools, and resilient infrastructures; and

WHEREAS, we believe the scale of greenhouse gas (GHG) emissions reductions required for climate stabilization will require sustained and substantial efforts; and

WHEREAS, we believe that even if emissions were dramatically reduced today, communities would still be required to adapt to the effects of climate change for decades to come,

IT IS HEREBY RESOLVED that Village of Millbrook in order to reduce greenhouse gas emissions and adapt to a changing climate, adopts the New York State Climate Smart Communities pledge, which comprises the following ten elements:

- 1) **Build a climate-smart community.**
- 2) **Inventory emissions, set goals, and plan for climate action.**
- 3) **Decrease energy use.**
- 4) **Shift to clean, renewable energy.**
- 5) **Use climate-smart materials management.**
- 6) **Implement climate-smart land use.**
- 7) **Enhance community resilience to climate change.**
- 8) **Support a green innovation economy.**
- 9) **Inform and inspire the public.**
- 10) **Engage in an evolving process of climate action.**

Roll Call Vote:

Mayor Collopy	<u>Aye</u>
Deputy Mayor Contino	<u>Aye</u>
Trustee Herzog	<u>Absent</u>
