

LOTTERY AND GAMING CREDIT APPLICATION

You may claim the Lottery and Gaming Credit for 2022 taxes; payable in 2023 if you were the owner of the property described below and used that property as your primary residence. (Note: "primary residence" is defined below.) If you meet these requirements, you may claim the credit by signing in the place indicated.

The property qualifies for the credit if you own and use the property as your primary residence on January 1 of the qualifying year. For example, if you used the property as your primary residence on January 1, 2022 the property qualifies for the 2022 credit. If you continue to use the property as your primary residence the property will continue to qualify. If you sell the property any time after January 1 of the qualifying year the property still qualifies for the credit, but you would not qualify for the credit in following year, since you did not own and use it as your primary residence on January 1 of the next year.

The law requires that you notify your county treasurer within 30 days after you no longer qualify to claim the credit either because you no longer own the property or no longer use it as your primary residence.

For additional information about the Lottery and Gaming Credit, contact the County Treasurer's Office or the Wisconsin Department of Revenue at (608) 266-9457, (608) 266-0772 or lgs@wisconsin.gov

Note: Your primary residence is where you live most of the time. When you are temporarily away, it is the home to which you intend to return. You can have only one primary residence. YOU MAY RETURN ONLY ONE CLAIM FORM.
