

A RESOLUTION AUTHORIZING THE VILLAGE OF STAMFORD BOARD OF TRUSTEES TO ACT AS LEAD AGENCY FOR THE SEQRA PROCESS FOR THE STAMFORD (V) 2025 WATER PROJECT

WHEREAS, the Village of Stamford Board of Trustees has the authority to review and approve the proposed project for the replacement and upsizing, and installation of existing water mains, hydrants, valves, and other necessary appurtenances in the Village of Stamford, along West Main Street and Hobart Road/Grant Place and among other duties and responsibilities, is required to complete the SEQRA process.

WHEREAS, the SEQRA process requires a Lead Agency to be designated to facilitate review.

WHEREAS, the proposed project scope will result in the project to be classified as a Type I action.

WHEREAS, a Full Environmental Assessment Form has been prepared by the applicant and reviewed and completed at the June 17, 2025 Village of Stamford Board of Trustees meeting.

WHEREAS, the Lead Agency will solicit input from agencies on the environmental impact of the above referenced project.

WHEREAS, the Lead Agency will review input and make a declaration on the impact of the above referenced project consistent with SEQRA guidance.

WHEREAS, the Lead Agency will notify other agencies as to the declaration of impact.

NOW AND THEREFORE IT BE

RESOLVED, that Stamford (V) 2025 Water Project shall be classified as a Type I action due to the proposed project scope.

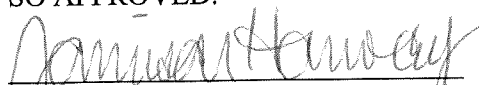

RESOLVED, that the Village of Stamford Board of Trustees shall cause to be circulated a letter to all known involved and interested agencies notifying those agencies with a summary information on the project to request designation as Lead Agency status for the project.
