

2019 Medicare Overview for St Croix County Residents

- **Unsure if your current Medicare plan is the right one for you in 2019?**
- **Confused about your options with Medicare Part D and/or SeniorCare?**
- **Confused about the differences between Medicare Supplements, Advantage plans, MSA plans, and Cost plans?**

Then come join the Benefit Specialists from the Aging and Disability Resource Center of St Croix County, who will be discussing the upcoming changes to Medicare plans that are available to St Croix County residents. Benefit Specialists are not insurance agents, or affiliated with any insurance companies. They are non-biased benefits counselors, who through education and information, aim to help you make the right decisions for you. Along with discussing the differences and upcoming changes to the Medicare plans, you will also learn about help that is available with Medicare, such as the Low Income Subsidy with Part D, Senior Care, and Medicare Savings Programs. Registration information is listed below.
