Village of Stockbridge Utilities

e-Bill Form / Sign up

The Village of Stockbridge Water & Sewer Utility offers our customers the choice of receiving their utility bills via e-bill. In order to switch your account from the standard postcard bill to e-bill, the Wisconsin PSC requires the utility to obtain written consent with the customer's signature.

Bills will be sent from the utilities@villageofstockbridgewi.gov. Our Utility billing system Workhorse Software generates the e-bill to the customers. Due to the large quantity of e-bills being sent out to our customers at one time, your system may consider our emailed e-bill spam. If you do not receive your e-bill please look in your spam folder. To prevent this, please add the Village of Stockbridge Utilities as a contact in your email. Once you sign up for e-billing, you will not receive a postcard bill via USPS any longer.

Please provide the following information:
