# Submittal of Annual Reports and other Compliance Documents for Municipal Separate Storm Sewer System (MS4) Permits

NOTE: Missing or incomplete fields are highlighted at the bottom of each page. You may save, close and return to your draft permit as often as necessary to complete your application. After 120 days your draft is **deleted.** 

## **Reporting Information**

Submittal Type: Annual Report

**Project Name:** MS4 Report (CY18)

County: Waukesha

Municipality: Wales, Village

Facility Number: 31318
Reporting Year: 2018

#### **Required Attachments and Supplemental Information**

Please complete the contents of each tab to submit your MS4 permit compliance document. The information included in this checklist is necessary for a complete submittal. A complete and detailed submittal will help us review about your MS4 permit document. To help us make a decision in the shortest amount of time possible, the following information must be submitted:

#### **Annual Report**

- Review related web site and instructions for Municipal storm water permit eReporting [Exit Form]
- Complete all required fields on the annual report form and upload required attachments
- Attach the following items as appropriate using the attachments tab above
  - a. Construction Site Pollution Control Annual Report Summary
  - b. Illicit Discharge Detection and Elimination Annual Report Summary
  - c. Leaf and Yard Waste Management
  - d. Municipal Cooperation Attachment
  - e. Municipal Facility Inspections
  - f. Pollution Prevention Annual Report Summary
  - g. Post-Construction Storm Water Management Annual Report Summary
  - h. Public Education and Outreach Annual Report Summary
  - i. Public Involvement and Participation Annual Report Summary
  - j. Storm Water Consortium/Group Report
  - k. Storm Sewer System Map Annual Report Attachment
  - I. Storm Water Quality Management Annual Report Attachment
  - m. TMDL Attachment
  - n. Winter Road Maintenance
  - o. Other Annual Report Attachment
- Sign and Submit form

## **Municipal Contact Information- Complete**

**Notice:** Pursuant to s. NR 216.07(8), Wis. Adm. Code, an owner or operator of a Municipal Separate Storm Sewer System (MS4) is required to submit an annual report to the Department of Natural Resources (Department) by March 31 of each year to report on activities for the previous calendar year ("reporting year"). This form is being provided by the Department for the user's convenience for reporting on activities undertaken in each reporting year of the permit term. Personal information collected will be used for administrative purposes and may be provided to the extent required by Wisconsin's Open Records Law [ss. 19.31-19.39, Wis. Stats.].

---

1900	2200	2000	General revenue fund
1000	2200	2000	

Costs denoted by a "0" are typically pass-through costs meaning private entities are responsible for all the costs. Otherwise any other costs denoted by "0" were thought to be minimal. **Water Quality a**: Were there any known water quality improvements in the receiving waters to which the municipality's storm sewer system directly discharges to? ○Yes • No ○ Unsure If Yes, explain below: **b**: Were there any known water quality degradation in the receiving waters to which the municipality's storm sewer system directly discharges to? ○Yes ● No ○ Unsure If Yes, explain below: c: Have any of the receiving waters that the municipality discharges to been added to the impaired waters list during the reporting year? ○Yes 

No ○Unsure d: Has the municipality evaluated their storm water practices to reduce the pollutants of concern? Yes ○ No ○ Unsure

#### **Additional Information**

Based on the municipality's storm water program evaluation, describe any proposed changes to the municipality's storm water program. If your response exceeds the 200 character limit, attach supplemental information on the attachments page.

The Village is implementing changes as they apply to pollution prevention and TMDL requirements. Currently, SEH is performing TMDL study for analysis of TSS and TP loading.

## **Requests for Assistance on Understanding Permit Programs**

Would the municipality like the Department to contact them about providing more information on understanding any of the Municipal Separate Storm Sewer Permit programs?

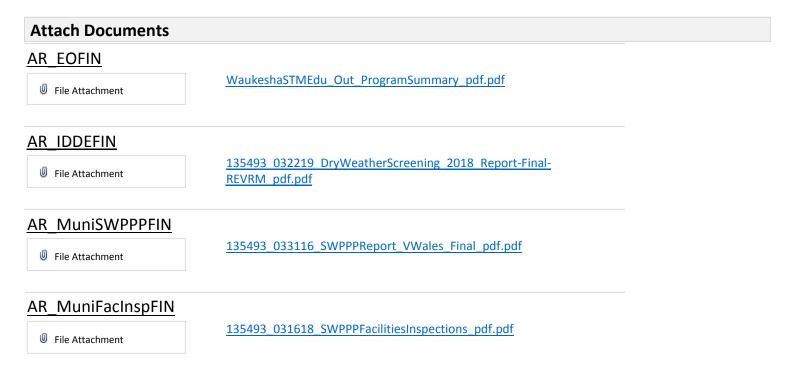

Please select all that apply:
☐ Public Education and Outreach
☐ Public Involvement
$\square$ Illicit Discharge Detection and Elimination
☐ Construction Site Pollutant Control
$\square$ Post-Construction Storm Water Management
☐ Pollution Prevention
☐ Storm Water Quality Management
☐ Storm Sewer System Map
☐ Water Quality Concerns
☐ Compliance Schedule Items Due
☐ MS4 Program Evaluation

## **Required Attachments and Supplemental Information**

Any other MS4 program information for inclusion in the Annual Report may be attached on here. Use the Add Additional Attachments to add multiple documents.

Upload Required Attachments (15 MB per file limit) - <u>Help reduce file size and trouble shoot file uploads</u>
