

NOTICE FROM THE VILLAGE HALL

Update Regarding COVID-19

We want to let the residents of Wales know that we are working very hard to maintain Village operations during this pandemic. We are processing hundreds of mail-in absentee ballot requests while continuing to perform daily duties.

In an effort to limit our staff's exposure to the virus and keep the Election process moving as smoothly as possible:

1. Please limit your visits to the Village Hall to emergency and Election issues only. For all other inquiries, please contact us via email walesclerk@bizwi.rr.com or phone 262-968-3968.
2. Please be patient with our staff as there may be delays in responding to requests as we are only a 2-person office.

We appreciate your understanding during this difficult time and we want to reassure you we are here for our Community and working hard for it.
Thank you.
