## Village of Wales Fire Protection Fee

Monday, September 22, 2025, 1:00 p.m. and 5:00 p.m. - Wales Community  
Center  
216 W. South Street

The Village of Wales is committed to providing the level of fire protection that you have been receiving. Therefore, Wales is in the process of implementing a fire protection fee that will be assessed on all properties in the Village. This meeting will cover what a fire protection fee is, why it is being implemented and costs associated with it. Please plan to attend one of the two scheduled meetings.

More [information](#) can be found on the Village's website [www.villageofwales.gov](http://www.villageofwales.gov) or at the Village Hall during normal working hours.
